MEIEST 6198

MEIEST Building Blocks Flower Bouquet Set

Model: 6198

Brand: MEIEST

INTRODUCTION

This manual provides instructions for the assembly, operation, and care of your MEIEST Building Blocks Flower Bouquet Set with Music Box and Dust-Proof Dome, Model 6198. This set allows you to construct a detailed artificial flower bouquet using building bricks, which then sits on a music box base and is protected by a clear dust-proof dome. It is designed as a decorative item for home or office.

IMPORTANT SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.

This product contains small building block pieces that may pose a choking hazard. The manufacturer recommends this product for individuals aged 14 years and older. Adult supervision is advised for younger users. Please ensure all small parts are kept out of reach of young children and pets.

PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present:

- Building blocks for flower bouquet (various shapes and colors)
- Music box base
- Dust-proof dome
- Instruction manual (this document)

SETUP AND ASSEMBLY

Follow these steps to assemble your flower bouquet set:

1. **Unpack Components:** Carefully remove all building blocks, the music box base, and the dust-proof dome

from their packaging.

2. **Assemble the Flower Bouquet:** Refer to the detailed step-by-step instructions provided within the building block packaging to construct the artificial flower bouquet. Ensure all pieces are securely connected.
3. **Place Bouquet on Base:** Once the flower bouquet is fully assembled, carefully place it onto the designated area of the music box base. Ensure it is stable and centered.
4. **Install Dust-Proof Dome:** Gently place the clear dust-proof dome over the assembled flower bouquet and music box base. Ensure it sits flush with the base to provide optimal protection.

OPERATING INSTRUCTIONS

The MEIEST Building Blocks Flower Bouquet Set features a mechanical music box that does not require batteries.

- **Activate Music and Rotation:** To play music and initiate the 360-degree rotation of the flower bouquet, gently

turn the base of the music box. The mechanism will wind up and then play a melody while the flowers rotate.

- **Stop Music:** The music will play for a short duration after winding. There is no specific stop button; the music will cease naturally.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your MEIEST Flower Bouquet Set:

- **Cleaning the Dome and Base:** Use a soft, dry, lint-free cloth to gently wipe the dust-proof dome and the music box base. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can scratch or damage the surfaces.
- **Cleaning Building Blocks:** For the building blocks, a soft brush or a slightly damp cloth can be used to remove dust. Ensure blocks are completely dry before re-enclosing the dome.

- **Storage:** Store the assembled set in a cool, dry place away from direct sunlight to prevent potential discoloration or material degradation over time.

TROUBLESHOOTING

Issue	Possible Cause / Solution
Music box not playing or rotating.	Ensure the base is fully turned to wind the mechanism. The music box is mechanical and does not require batteries. If the issue persists, gently check for any obstructions.
Building blocks not connecting securely.	Verify that each block is aligned properly and pressed firmly into place. Refer to the assembly instructions for correct placement. Some pieces may require more pressure.
Flowers appear loose or are facing downwards.	During assembly, ensure the flower stems and petals are securely attached and oriented as desired. Gentle adjustments can be made to the angle of the flowers.
