2. SAFETY INFORMATION

- This desk requires assembly. Handle all components with care during the assembly process to prevent injury or damage.
- The desktop has a maximum weight capacity of 150 lbs (68 kg). Do not exceed this limit.
- Each drawer can hold up to 20 lbs (9 kg). Avoid overloading the drawers.
- Ensure the desk is properly assembled and stable before placing items on it or using it.
- Keep furniture away from heat sources to prevent damage to the wood finish.
- Do not place furniture under direct sunlight for extended periods, as this may cause the material to fade over time.
- This product is intended for residential use only, not for commercial use.

3. PARTS LIST

Before assembly, verify that all parts are present and undamaged. Refer to the assembly video for visual identification of components.

- Desktop with integrated drawers (Part A)
- Left Leg Frame (Part B)
- Right Leg Frame (Part C)
- Support Bar (Part D)
- Hardware Pack (screws, washers, Allen wrench, adjustable feet)

4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have two people for certain steps due to the desk's weight.

Step-by-Step Guide

1. **Step 1: Prepare the Leg Frames**

Insert the dowels (Part #1) into the designated holes on the Left Leg Frame (Part B) and Right Leg Frame (Part C).

2. **Step 2: Attach the Support Bar**

Connect the Support Bar (Part D) between the Left Leg Frame (Part B) and Right Leg Frame (Part C) using the provided screws (Part #2). Ensure a secure fit.

3. **Step 3: Attach Legs to Desktop**

Carefully place the Desktop (Part A) upside down on a soft, clean surface to prevent scratches. Align the assembled leg structure (Parts B, C, D) with the pre-drilled holes on the underside of the desktop. Secure the leg frames to the desktop using the screws (Parts #4, #5, #6) and the Allen wrench (Part #9) provided.

4. **Step 4: Install Cable Management Cover**

Insert the two circular cable management covers (Part #7) into the openings at the back of the desktop.

5. **Step 5: Adjust Leveling Feet**

Carefully turn the desk upright. Adjust the leveling feet at the bottom of each leg to ensure the desk is stable and level on your floor.

- **Cleaning:** Wipe clean with a soft, damp cloth. Do not use harsh cleaners, polishes, detergents, solvents, abrasives, or leather cleaner. For spills, use a non-color mild soap with warm water (Mix 1:10 soap to water).
- **Protection:** Avoid placing hot items directly on the surface. Use coasters or protective pads.
- **Sunlight Exposure:** Protect from prolonged direct sunlight to prevent fading.
- **Weight Limits:** Adhere to the specified weight capacities for the desktop (150 lbs) and drawers (20 lbs each).

7. TROUBLESHOOTING

If you encounter issues with your desk, refer to the following common solutions:

- **Wobbling Desk:** Ensure all screws are tightened. Adjust the leveling feet at the bottom of each leg until the desk is stable on an even surface.
- **Sticking Drawers:** Check for any obstructions within the drawer slides. Ensure the drawer glides are clean and free of debris. If the issue persists, verify that the desk was assembled correctly and that the drawer slides are properly aligned.
- **Charging Station Not Working:** Confirm that the desk's power cord is securely plugged into a functional wall outlet. Check if the devices being charged are properly connected to the charging station's ports.
