FIMEI PY-F1035

FIMEI Floor Lamp with Table (Model PY-F1035) Instruction Manual

Brand: FIMEI | Model: PY-F1035

PRODUCT OVERVIEW

The FIMEI Floor Lamp with Table is a versatile 3-in-1 furniture piece designed to provide lighting, storage, and charging capabilities. Its modern and minimalist design integrates seamlessly into various room settings, including living rooms, bedrooms, and apartments. The lamp features adjustable color temperatures and a rotatable head for customized illumination, while the integrated charging station offers convenient power access for multiple devices.

Multi-functional Floor Lamp with Table

WHAT'S INCLUDED

Please ensure all components are present before beginning assembly:

- Floor Lamp with Integrated Table
- Linen Fabric Lampshade
- E26 9W LED Bulb
- Assembly Hardware and Tools
- Instruction Manual

ASSEMBLY INSTRUCTIONS

Follow these steps for quick and easy assembly:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all parts are present against the included parts list.
2. **Assemble the Table Frame:** Attach the table legs to the shelves using the provided hardware. Ensure all connections are secure.
3. **Install the Charging Station:** Secure the power strip with USB ports and outlets into the designated slot on the table.
4. **Attach the Lamp Pole:** Connect the lamp pole to the table top. Ensure the power cord from the lamp is routed correctly through the table structure.
5. **Assemble the Lampshade:** Fasten the linen cloth onto the two shade holders (rings) as per the instructions.
6. **Install the Bulb and Lampshade:** Screw the E26 9W LED bulb into the lamp socket. Place the assembled lampshade onto the lamp holder and secure it.
7. **Connect to Power:** Plug the lamp's power cord into a standard 110V outlet.

OPERATING INSTRUCTIONS

Light Operation:

- **Power On/Off:** Use the pull chain switch located beneath the lampshade to turn the light on or off.
- **Adjust Color Temperature:** The included E26 9W bulb offers three color temperature settings. Pull the chain switch repeatedly to cycle through warm yellow (3000K), natural warm light (4500K), and cool white light (6000K).
- **Rotate Lamp Head:** The gooseneck arm allows for 350° rotation of the lamp head. Gently adjust the arm to direct light where needed.

Charging Station Operation:

- **USB Ports:** Utilize the 5V/2A Type-C port or the 5V/2A 10W USB-A port to charge compatible electronic devices such as phones, tablets, and Bluetooth headsets.
- **AC Outlets:** The two 120V outlets provide power for laptops, portable speakers, radios, or other small appliances.

3 in 1 Bedside Table Nightstand Light

Enjoy the convenience of having lighting, storage, and charging options in one piece of furniture.

FEATURES

- **3-in-1 Design:** Combines a floor lamp, end table, and charging station into a single, space-saving unit.
- **Integrated Charging Station:** Includes 1 USB-C port (5V/2A), 1 USB-A port (5V/2A 10W), and 2 standard 120V AC outlets, powered by a 76-inch cord.
- **Adjustable Lighting:** Comes with an E26 9W LED bulb offering three color temperatures (3000K warm yellow, 4500K natural warm, 6000K cool white) controlled by a pull chain.
- **Flexible Illumination:** The lamp head features a 350° rotatable gooseneck arm to direct light precisely.
- **Convenient Storage:** Features a sturdy table top and an additional lower shelf for books, coffee, laptops, and other items.

- **Durable Construction:** Made with iron material and a powder-coated finish, ensuring stability and longevity. The table surface is designed to be water-resistant.
- **Space-Saving Design:** Ideal dimensions (12.2"D x 16.3"W x 57"H) make it suitable for small spaces in bedrooms, living rooms, or apartments.

SPECIFICATIONS

Model Number	PY-F1035
Dimensions (D x W x H)	12.2"D x 16.3"W x 57"H
Material	Iron (Base), Linen (Shade)
Finish Type	Powder Coated
Light Source Type	LED
Bulb Base	E26
Wattage	9 watts
Voltage	110 Volts
Color Temperature	3000K (Warm Yellow), 4500K (Natural Warm), 6000K (Cool White)
Control Method	Pull Chain (Light), Touch (Charging Station)
Connectivity Technology	USB (Type-C, Type-A)
Power Source	Corded Electric
Indoor/Outdoor Usage	Indoor Use Only

MAINTENANCE

- **Cleaning:** Wipe the table surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Lampshade Care:** Gently dust the linen lampshade with a soft brush or vacuum with a brush attachment. Do not wash.
- **Bulb Replacement:** Ensure the lamp is unplugged before replacing the E26 bulb. Use an LED bulb of similar wattage (max 9W) to maintain optimal performance and safety.
- **Cord Management:** Keep the power cord and charging cables tidy to prevent tripping hazards and damage.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on.	Power cord not plugged in; Bulb loose or faulty; Power outage.	Ensure cord is securely plugged into a working outlet. Check if the bulb is screwed in tightly. Replace bulb if necessary. Verify power to the outlet.
Charging ports/outlets not working.	Lamp not plugged in; Device not compatible; Overload.	Ensure the main power cord is plugged in. Check device compatibility. Unplug some devices to prevent overload.
Lamp head does not rotate smoothly.	Mechanism obstructed or stiff.	Gently check for any obstructions. Apply minimal force when rotating. Do not force rotation if resistance is met.

WARRANTY AND SUPPORT

This FIMEI Floor Lamp with Table comes with a **2-year manufacturer's warranty**. For warranty claims, technical support, or any questions regarding your product, please contact FIMEI customer service through the retailer where the product was purchased or visit the official FIMEI website for contact information.

Please retain your proof of purchase for warranty validation.
