SAFETY INFORMATION

Important: Retain for future reference. Read carefully.

- Do not leave children unattended near the furniture.
- Serious or life-threatening injuries can occur if furniture tips over. Anchor this furniture to the wall. Use appropriate fastening hardware for your specific wall type. Consult a local specialist if you have questions.
- All assembly hardware must always be sufficiently tightened and checked regularly.
- Carefully follow each step of the manual.
- For high beds, the upper level is not suitable for children under 6 years due to the risk of falls.
- Avoid attaching additional hooks or handles to any children's beds where children could get caught.
- Ensure that the distance between the bed and the wall prevents entrapment.
- For increased safety in cribs, always choose a mattress of the same size to prevent slipping.
- Ensure a suitable changing pad that matches the dimensions of the changing attachment and provides adequate protective edges.
- Replacement parts must be purchased from the manufacturer or supplier.
- Do not use the item if there is a defect.
- **Tip-over Hazard:** Unanchored furniture can tip over. To prevent this furniture from tipping over, it must be anchored to the wall. Use fastening hardware suitable for your home's walls.

SETUP AND ASSEMBLY

The Vicco Roman Corner Bench Group is designed for straightforward assembly. An assembly manual with detailed steps is included in your package. Please follow these instructions carefully.

1. **Preparation:** Unpack all components and verify against the package contents list. Ensure you have all necessary tools (e.g., screwdriver, hammer).
2. **Space:** Choose a suitable location for assembly, ensuring enough space to maneuver the components.
3. **Bench Assembly:** Assemble the two bench units according to the provided diagrams. Pay attention to the orientation of the panels.
4. **Corner Unit Assembly:** Assemble the corner unit. This unit connects the two benches.
5. **Table Assembly:** Assemble the dining table. Ensure all legs are securely attached and stable.
6. **Stool Assembly (if included):** Assemble the stool.

7. **Final Placement and Anchoring:** Position the assembled corner bench group in its desired location. **Crucially, anchor the furniture to the wall using appropriate fastening hardware to prevent tipping.**

OPERATING INSTRUCTIONS

The Vicco Roman Corner Bench Group is designed for versatile use in your kitchen or dining area.

- **Seating:** The corner bench provides comfortable seating for multiple individuals. The design allows for efficient use of corner spaces.
- **Extendable Table:** The dining table features an extendable tabletop. By simple actions, the tabletop can be unfolded to double its size, providing additional surface area when needed. Refer to the assembly instructions for specific details on extending the table.
- **Storage Function:** The benches are equipped with a storage function. Lift the seat cushions to access the storage

compartments underneath, ideal for keeping items like placemats, napkins, or small kitchen accessories organized.

MAINTENANCE

Proper care will ensure the longevity and appearance of your Vicco Roman Corner Bench Group.

- **Cleaning:** The kitchen meal group is made of easy-care 16 mm chipboard with a melamine resin coating. For daily cleaning, wipe surfaces with a dry or damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining or damage to the melamine surface.
- **Hardware Check:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary to maintain stability.
- **Protection:** Use placemats or coasters to protect the table surface from heat, moisture, and scratches.

TROUBLESHOOTING

If you encounter any issues with your Vicco Roman Corner Bench Group, please refer to the following common solutions:

- **Instability:** If the furniture feels wobbly, check all assembly hardware and tighten any loose screws. Ensure the furniture is placed on a level surface.
- **Difficulty with Table Extension:** Ensure there are no obstructions in the extension mechanism. Refer to the assembly instructions for the correct procedure to extend the table.
- **Damaged Parts:** If any part is damaged during assembly or use, do not attempt to force it. Contact customer support for replacement parts.
- **Missing Parts:** If you find any parts missing upon unpacking, please contact the seller immediately.
