## EUGAD 1043BY-2

# User Manual for EUGAD Bar Stools (Set of 2)

Model: 1043BY-2

## INTRODUCTION

Thank you for purchasing the EUGAD Bar Stools. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar stools. Please read these instructions carefully before assembly and retain them for future reference.

## SAFETY INSTRUCTIONS

- **Weight Limit:** Do not exceed the maximum weight limit of **120 kg (264 lbs)** per stool. Exceeding this limit may cause damage to the stool and potential injury.
- **Proper Assembly:** Ensure all components are correctly assembled and all fasteners are securely tightened before using the stools. Improper assembly can lead to instability.
- **Stable Surface:** Always place the stools on a flat, stable, and level surface to prevent tipping.
- **Children and Pets:** Keep children and pets away from the assembly area. Small parts can be a choking hazard.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

## PRODUCT OVERVIEW AND COMPONENTS

The EUGAD Bar Stools are designed for comfort and stability, featuring a velvet upholstered seat and backrest, supported by sturdy metal legs. Each set includes two bar stools.

Image: Detailed breakdown of the bar stool's features, highlighting the large velvet seat, comfortable backrest, strong footrest, and stable metal legs.

### Key Components:

- **Seat and Backrest:** Thickly padded with soft velvet upholstery for comfort.
- **Metal Frame/Legs:** Coated iron frame providing stability and durability.
- **Footrest:** Integrated into the frame for ergonomic support.
- **Adjustable Feet:** Located at the base of the legs to adapt to uneven floors.
- **Assembly Hardware:** Screws, bolts, and an assembly tool (usually an Allen key).

### SETUP AND ASSEMBLY

The EUGAD Bar Stools are designed for easy assembly. All necessary accessories and illustrated instructions are included in the package.

#### Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify that all components listed in the instruction manual are present.
2. **Attach Backrest to Seat:** Secure the backrest to the seat using the provided screws and tool. Do

not overtighten initially.

3. **Assemble Leg Frame:** Connect the metal legs and footrest according to the diagram in the included instructions. Ensure the frame is stable.
4. **Attach Seat to Leg Frame:** Secure the assembled seat and backrest to the leg frame.
5. **Tighten All Fasteners:** Once all parts are loosely assembled, gradually tighten all screws and bolts. Ensure the stool is stable and does not wobble.
6. **Adjust Feet:** If the stool wobbles on an uneven floor, adjust the leveling feet at the bottom of the legs until stability is achieved.

The EUGAD Bar Stools are designed for comfortable seating at various high surfaces.

### Key Usage Features:

- **Comfortable Seating:** The thickly padded velvet seat (42x41cm) and wide backrest provide ergonomic support, adapting to your body shape for extended comfort.
- **Footrest:** Utilize the integrated footrest to support your feet and maintain a comfortable posture, reducing strain during prolonged sitting.
- **Versatile Placement:** With a seat height of 68.5cm, these stools are suitable for various settings including kitchen islands, breakfast bars, bistro tables, and counter-height surfaces in homes or commercial environments.

## MAINTENANCE

Proper care and maintenance will extend the lifespan and preserve the appearance of your EUGAD Bar Stools.

### Cleaning Instructions:

- **Velvet Upholstery:**
  - For light dust, gently vacuum with a brush attachment.
  - For spills, blot immediately with a clean, dry cloth. Do not rub.
  - For stubborn stains, use a mild upholstery cleaner specifically designed for velvet. Test on an inconspicuous area first.
  - Avoid excessive moisture and direct sunlight to prevent fading or damage to the fabric.
- **Metal Legs:**
  - Wipe down with a soft, damp cloth.
  - Avoid abrasive cleaners or harsh chemicals, which can damage the finish.
  - Dry thoroughly after cleaning to prevent rust.

## General Care:

- Regularly check and re-tighten all screws and bolts to ensure the stool remains sturdy.
- Do not drag the stools across the floor; lift them to move to prevent damage to the legs and floor.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Stool wobbles or is unstable.	Uneven floor surface or loose fasteners.	Adjust the leveling feet at the bottom of the legs. Ensure all assembly screws are fully tightened.
Squeaking noises during use.	Loose connections between components.	Identify the source of the noise and tighten the corresponding screws. Applying a small amount of lubricant (e.g., silicone spray) to metal-on-metal contact points might help.
Damage to upholstery.	Sharp objects, excessive friction, or improper cleaning.	Prevent contact with sharp objects. Follow cleaning instructions carefully. For significant damage, contact customer support for repair options or replacement.

## SPECIFICATIONS

Attribute	Detail
Brand	EUGAD
Model Number	1043BY-2
Colour	Dark Grey
Material	Velvet (Upholstery), Coated Iron (Frame/Legs)
Product Dimensions (L x W x H)	41 x 42 x 98 cm (16.1 x 16.5 x 38.6 inches)
