## MAINTENANCE

Proper care will ensure the longevity and pristine appearance of your Tribesigns Dining Table. The tabletop is designed to be waterproof and scratch-resistant for easy maintenance.

- **Daily Cleaning:** For general cleaning, simply wipe the surface with a soft, damp cloth. For spills, wipe immediately with a dry cloth to prevent water marks.
- **Stubborn Stains:** For more stubborn stains, use a mild, non-abrasive cleaner specifically designed for furniture surfaces. Always test the cleaner on an inconspicuous area first.
- **Avoid Harsh Chemicals:** Do not use harsh chemicals, abrasive cleaners, or scouring pads, as these can damage the finish of the tabletop and metal legs.
- **Protect from Heat:** While the surface is durable, prolonged exposure to extreme heat can cause damage. Always use placemats or coasters under hot dishes.
- **Avoid Sharp Objects:** Although scratch-resistant, avoid dragging sharp or heavy objects across the surface to prevent deep scratches.

- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
