VRURC T2047Q

VRURC Portable Charger 20000mAh User Manual

MODEL: T2047Q

Welcome

Thank you for choosing the VRURC 20000mAh Portable Charger. This manual provides essential information for the safe and efficient use of your device. Please read it carefully before operation and retain it for future reference.

Product Overview

The VRURC 20000mAh Portable Charger is designed for convenience and versatility, featuring multiple built-in cables and fast-charging capabilities.

Key Features:

- 20000mAh high-capacity power bank.
- Built-in 4 cables: USB-C, iOS (Lightning), Micro-USB, and USB-A for recharging the power bank.
- 22.5W/20W PD fast charging support.
- Capable of charging up to 4 devices simultaneously.
- LED digital display for battery percentage.
- Anti-slip and anti-scratch design with a portable lanyard.
- Smart chip for comprehensive safety protection.

Setup

Charging Your Power Bank:

Before initial use, fully charge your power bank. There are two convenient ways to recharge the device:

1. **Using the Built-in USB-A Cable:** Connect the integrated USB-A cable to a compatible USB wall adapter (not included). A full recharge takes approximately 11 hours with a 5V/2A input.
2. **Using the USB-C Input Port:** For faster recharging, connect a USB-C cable (not included) to the 18W USB-C input port. This method can fully charge the power bank in approximately 6 hours with a 9V/2A power adapter.

Two Ways for Recharge

Operating Instructions

Charging Your Devices:

The VRURC portable charger offers multiple output options to charge various smart devices.

- **Built-in USB-C Cable:** For devices with a USB-C port. Supports up to 20W fast charging.
- **Built-in iOS (Lightning) Cable:** For Apple devices. Supports up to 18W fast charging.
- **Built-in Micro-USB Cable:** For Android devices with a Micro-USB port.
- **USB-A Output Port:** For devices requiring a standard USB-A connection, supporting up to 22.5W fast charging.

The power bank is designed to charge up to 4 devices simultaneously using its combination of built-in cables and the USB-A output port.

Maintenance and Safety

Care and Handling:

- Keep the device away from extreme temperatures, direct sunlight, and liquids.
- Clean the surface with a soft, dry cloth. Avoid abrasive cleaners.
- The anti-slip and anti-scratch design helps maintain the device's appearance and durability.
- Utilize the portable lanyard for easy carrying and to prevent accidental drops.

Safety Features:

The VRURC portable charger incorporates a smart chip battery pack to protect against common electrical

hazards:

- Short-circuiting
- Over-current
- Over-voltage
- Over-heating

Always ensure proper ventilation during charging and avoid covering the device to prevent heat buildup.

Troubleshooting

Device Not Charging / Slow Charging:

- **Check Connections:** Ensure all cables are securely connected to both the power bank and the device being charged.
- **Power Bank Charge Level:** Verify the power bank has sufficient charge using the LED display. Recharge if necessary.
- **Reset Device:** If experiencing unusual behavior or slow charging, try resetting the power bank by holding the power button for approximately 20 seconds.
- **Cable Compatibility:** Ensure the correct cable type is used for your device (USB-C, iOS, Micro-USB).
- **Adapter Output:** When recharging the power bank, use a compatible wall adapter (e.g., 9V/2A for faster USB-C input, 5V/2A for built-in USB-A input).

Specifications

Feature	Detail
Model Name	T2047Q
Battery Capacity	20000 Milliamp Hours
Connector Type	Built-in USB-C, iOS (Lightning), Micro-USB cables; USB-A port
Special Features	Built-in Cables, Fast Charging, LED Indicator Lights, Anti-slip Lanyard Design
Max Output (USB-A Port)	22.5W
Max Output (Built-in USB-C/iOS Cables)	18W
Power Bank Recharge Time (USB-C Input)	Approx. 6 hours (with 9V/2A adapter)
Power Bank Recharge Time (Built-in USB-A Input)	Approx. 11 hours (with 5V/2A adapter)
Item Dimensions (L x W x Th)	6.14" x 2.75" x 1.08"
Item Weight	396 Grams

Battery Cell Type	Lithium Polymer
Number of Batteries	2 Lithium Polymer batteries (included)

Warranty and Support

Warranty Information:

This VRURC product comes with a 12-month replacement service. For any product issues, technical support, or warranty claims, please contact VRURC customer support through the retailer or the official VRURC website.

Package Contents:

- 1x VRURC Portable Charger 20000mAh
- 1x User Manual
