Safety Information

- **Weight Capacity:** Do not exceed the maximum weight recommendation of 250 pounds on the desktop. Distribute weight evenly.
- **Stability:** Ensure all screws and fasteners are tightened securely before use. Periodically check and re-tighten as necessary to maintain stability.
- **Placement:** Place the desk on a flat, level surface to prevent wobbling. Avoid placing in direct sunlight or near heat sources to prevent material damage.
- **Children:** Keep small parts and packaging materials away from children during assembly.
- **Assembly:** Always follow the assembly instructions carefully. Do not use power tools for assembly unless specifically instructed, as this may overtighten and damage components.

Package Contents

Please verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 1 x Home Office Desk (Desktop with integrated drawer sections)
- 4 x Metal Hairpin Legs
- 1 x User Manual (this document)
- 1 x Install Tool (Allen wrench/screwdriver)
- Hardware Pack (screws, bolts, nuts, etc.)

Setup and Assembly

Assembly of the VECELO Home Office Work Table is designed to be straightforward. All necessary tools and numbered parts are included. It is recommended to assemble the desk on a soft, clean surface to prevent scratches.

Step-by-Step Assembly:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and identify each part using the provided parts list in the separate assembly guide.
2. **Attach Hairpin Legs:** Locate the designated attachment points on the underside of the desk. Align each hairpin leg with its corresponding holes. Securely fasten the legs using the provided screws and the install tool. Ensure all screws are tightened firmly but do not overtighten.
3. **Assemble Drawers (if separate):** If the drawers are not pre-assembled, follow the specific instructions in the assembly guide for constructing the drawer box and attaching the drawer slides.
4. **Insert Drawers:** Once the drawer slides are attached to both the desk and the drawer, carefully slide the drawer into its compartment. Ensure it glides smoothly.
5. **Final Check:** Once assembled, gently lift and place the desk in its desired location. Verify that the desk is stable and all connections are secure.

Operating Instructions

The VECELO Home Office Work Table is designed for versatile use in various settings, including home offices, study areas, bedrooms, and living rooms. Its functional design allows for efficient organization and comfortable work or study.

- **Workstation Setup:** Utilize the spacious desktop for your computer, laptop, or writing materials. The integrated drawers and open compartments provide convenient storage for office supplies, books, headphones, and other essentials, helping to keep your workspace tidy.
- **Drawer Usage:** The desk features three drawers, including two open drawers and one central pull-out drawer. Use these for organized storage of documents, stationery, and personal items.
- **Placement:** Position the desk in a location that suits your needs, considering natural light, power outlets, and overall room aesthetics.

Maintenance

Proper care and maintenance will extend the life and appearance of your VECELO desk.

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage to the wood material.
- **Heat and Moisture:** Do not place hot items directly on the surface. Use coasters or protective pads for drinks and hot dishes. Avoid excessive moisture.

- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as needed to maintain structural integrity.

Troubleshooting

Problem	Possible Cause	Solution
Desk wobbles after assembly.	Screws are not fully tightened; uneven floor surface.	Ensure all leg attachment screws are fully tightened. Adjust leg levelers if present, or place shims under legs on uneven floors.
Drawer does not slide smoothly.	Drawer slides are misaligned or obstructed; debris in tracks.	Remove the drawer and check for any obstructions in the tracks. Verify that the drawer slides are correctly installed and aligned according to the assembly instructions.
Parts missing or damaged upon arrival.	Shipping damage or packaging error.	Do not proceed with assembly. Contact VECELO customer support immediately with your purchase details for replacement parts.
