Key Features:

- **72-Hour Odor Control:** Clinically proven to block body odor all day and continues to control odor for up to 72 hours.
- **Whole Body Application:** Effective for pits, packages, feet, and other areas where odor may occur.
- **Skin-Safe Formula:** Aluminum-free, baking soda-free, dye-free, and paraben-free. Hypoallergenic and formulated without benzene.
- **pH Optimized:** Utilizes an innovative pH-optimized formula to stop odor before it starts.
- **Bourbon Leather Scent:** Features warm essences of fine leather, tobacco, and bourbon vanilla for a sophisticated aroma.

USAGE INSTRUCTIONS

Application:

1. Ensure skin is clean and dry before application.

2. Twist the base of the stick to raise a small amount of product.
3. Apply directly to underarms, groin area, feet, or any other external body part where odor control is desired.
4. Apply a thin, even layer.
5. For optimal results, apply every 48-72 hours, or as needed.

MAINTENANCE

To maintain the quality and effectiveness of your Mando Whole Body Deodorant:

- Store in a cool, dry place away from direct sunlight.
- Ensure the cap is securely replaced after each use to prevent drying out.

TROUBLESHOOTING

Common Concerns:

- **Skin Irritation:** If irritation, redness, or discomfort occurs, discontinue use immediately. Consult a healthcare professional if symptoms persist.
- **Reduced Effectiveness:** Ensure skin is thoroughly clean and dry before application. For some individuals, daily application may be necessary depending on activity level and body chemistry.
- **White Marks on Clothing:** Mando Smooth Solid is designed to go on clear. Ensure a thin layer is applied and allowed to dry briefly before dressing to minimize any potential transfer.

For external use only. Apply to healthy skin, avoiding broken or irritated areas. Perform a patch test prior to using on larger areas. Discontinue use if irritation develops.
