Lubluelu 202

Lubluelu Cordless Vacuum Cleaner Instruction Manual

Brand: Lubluelu

Model: 202

Introduction

Thank you for choosing the Lubluelu Cordless Vacuum Cleaner, Model 202. This powerful and versatile stick vacuum is designed to make your daily cleaning easy and efficient. With its 25000Pa suction power, 235W brushless motor, and up to 50 minutes of runtime, it's perfect for tackling dirt, dust, and pet hair on various surfaces, including hard floors and carpets. Its self-standing design and lightweight construction offer unparalleled convenience.

Setup and Assembly

Your Lubluelu Cordless Vacuum Cleaner comes with several components that are easy to assemble. Follow these steps to get started:

1. **Attach the Extension Tube:** Insert the metal extension tube into the main engine until it clicks securely into place.
2. **Connect the Floor Brush:** Attach the motorized floor brush to the other end of the extension tube, ensuring it clicks firmly.

3. **Install the Battery:** Slide the detachable lithium-ion battery into the main engine's battery slot until it locks. Ensure it is charged before first use.
4. **Choose Accessories:** Select the appropriate accessory (e.g., soft dusting brush, long crevice tool) and attach it directly to the main engine for handheld use, or to the extension tube for extended reach.

Operating Instructions

The Lubluelu Cordless Vacuum Cleaner offers intuitive operation with multiple suction modes to suit your cleaning needs.

- **Power On/Off:** Press the power button on the main unit to turn the vacuum on or off.
- **Adjust Suction Modes:** Cycle through three suction modes (Min, Mid, Max) by pressing the speed button.
  - Min Mode (10KPa): Up to 50 minutes runtime, ideal for light dust and debris.
  - Mid Mode (17KPa): Up to 30 minutes runtime, suitable for everyday cleaning.
  - Max Mode (25KPa): Up to 15 minutes runtime, for deep cleaning and stubborn dirt.
- **Flexible LED Floor Brush:** The floor brush features 160° flexible sideways swivel and 90° up and down movement, allowing easy cleaning under furniture and in tight corners. The 3 LED lights illuminate dark areas to help spot hidden dirt.
- **Self-Standing Design:** The vacuum can stand on its own, providing convenient temporary storage during cleaning breaks without needing to lean against a wall or use a wall mount.

Maintenance

Regular maintenance ensures optimal performance and extends the lifespan of your Lubluelu Cordless Vacuum Cleaner.

- **Dustbin Emptying:** The dustbin features a one-click emptying mechanism. Simply press the release button to empty collected debris into a trash can.
- **Filter Cleaning:** The vacuum utilizes a 4-stage fully-sealed filtration system, including a HEPA filter. Regularly clean the filters to maintain suction power. Filters can be washed with water and should be completely dry before reinstallation.
- **Brush Roll Cleaning:** Periodically check the brush roll for tangled hair or debris. Use the provided hair cleaning tool to easily remove any obstructions.

- **Battery Charging:** The detachable battery offers two charging options: charge it directly in the vacuum or remove it for external charging. A full charge takes approximately 4 hours.

Troubleshooting

If you encounter any issues with your Lubluelu Cordless Vacuum Cleaner, please refer to these common troubleshooting tips:

- **No Power:** Ensure the battery is fully charged and properly inserted. Check if the power adapter is correctly connected during charging.
- **Low Suction:** Empty the dustbin. Clean all filters (HEPA, metal mesh, cyclone) and ensure they are completely dry before reinstallation. Check the brush roll and extension tube for any blockages.
- **Brush Roll Not Spinning:** Check for tangled hair or debris obstructing the brush roll. Ensure the floor brush is correctly attached to the extension tube or main unit.

- **Unusual Noise:** Turn off the vacuum immediately. Check for any foreign objects lodged in the brush roll, extension tube, or main unit. Ensure all components are securely assembled.

For further assistance, please contact Lubluelu customer support.

Specifications
