

PUZILOZA ZQ01429

PUZILOZA Lightweight Carry Bag for LED Par Headlights - Instruction Manual

Model: ZQ01429

INTRODUCTION

Thank you for choosing the PUZILOZA Lightweight Carry Bag. This manual provides essential information for the proper use, care, and maintenance of your new carry bag. Designed for convenience and protection, this bag is ideal for transporting up to four LED Par Headlights and their accessories. Please read this manual thoroughly before use to ensure optimal performance and longevity of your product.

PRODUCT OVERVIEW

The PUZILOZA Lightweight Carry Bag is engineered to provide secure and organized transport for your LED Par Headlights. Key features include:

- **Durable Construction:** Made from 600D waterproof PVC outer material and 210D lining for enhanced protection against elements and wear.
- **Protective Interior:** The interior is lined with foam and features four individual compartments to prevent damage from impacts and keep lights separated.
- **Easy Access:** Equipped with smooth, dual zippers for convenient opening and closing.
- **Accessory Storage:** Includes an external pocket for storing small items like DMX cables or remote controls.
- **Stable Base:** Features a non-slip base to prevent movement and wear, ensuring stability during transport.
- **Portability:** Designed with a comfortable carry handle and shoulder strap for easy transportation.

SETUP

1. **Unpack the Bag:** Carefully remove the carry bag from its packaging.
2. **Inspect for Damage:** Check the bag for any signs of damage that may have occurred during shipping. If damaged, contact customer service immediately.
3. **Prepare Compartments:** The bag comes with four pre-divided compartments. Ensure these dividers are properly seated to create secure spaces for your LED Par Headlights.
4. **Insert Headlights:** Place each LED Par Headlight gently into its designated compartment. Ensure a snug fit to prevent movement during transport.
5. **Store Accessories:** Utilize the external zippered pocket for smaller accessories such as power cables, DMX cables, or remote controls.

OPERATING INSTRUCTIONS

Using your PUZILOZA carry bag is straightforward. Follow these guidelines for safe and efficient transport:

- **Loading:** Always place headlights gently into the padded compartments. Avoid forcing items into the bag.
- **Securing:** Once all items are inside, ensure the main zipper is fully closed to secure the contents.
- **Carrying:** Use the reinforced carry handles for short distances or the adjustable shoulder strap for longer transport. Distribute weight evenly when lifting.
- **Placement:** When setting the bag down, utilize the non-slip base to ensure stability and protect the bottom of the bag from wear.

MAINTENANCE

Proper maintenance will extend the life of your PUZILOZA carry bag:

- **Cleaning:** Wipe the exterior with a damp cloth and mild soap if necessary. Do not use harsh chemicals or abrasive cleaners.
- **Drying:** Allow the bag to air dry completely before storing, especially if it has been exposed to moisture.
- **Storage:** Store the bag in a cool, dry place away from direct sunlight when not in use.
- **Zipper Care:** Periodically check zippers for smooth operation. If stiff, a small amount of zipper lubricant can be applied.
- **Inspection:** Regularly inspect the stitching, handles, and straps for any signs of wear or damage. Address minor issues promptly to prevent further deterioration.

TROUBLESHOOTING

This section addresses common concerns you might encounter:

- Issue:** Zipper is stiff or stuck.
Solution: Apply a small amount of zipper lubricant (e.g., beeswax or silicone spray) to the teeth and gently work the zipper back and forth. Ensure no fabric is caught in the zipper.
- Issue:** Bag appears misshapen or dividers are loose.
Solution: Ensure all compartments are properly filled with equipment to maintain the bag's structure. Adjust internal dividers to fit your specific headlights snugly.
- Issue:** Bag gets wet.
Solution: While the outer material is waterproof PVC, prolonged exposure to heavy rain should be avoided. If the bag gets wet, empty contents, wipe dry, and allow to air dry completely before re-use or storage.

SPECIFICATIONS

Feature	Detail
Model Number	ZQ01429
Color	Black
Outer Material	600D Waterproof PVC
Inner Material	210D Lining (Oxford Cloth)
Product Dimensions (L x W x H)	32 x 32 x 22 cm (12.6 x 12.6 x 8.7 inches)
