2. Product Overview and Components

The T'nB Single 2 headphone is engineered for convenience and high-quality audio. It features a foldable design with rotating ear pads for easy storage and an adjustable headband for a comfortable fit during extended listening sessions.

Included Components:

- T'nB Single 2 Wireless Headphone
- USB-C Charging Cable
- User Manual (this document)

Key Features:

- Bluetooth 5.0 for stable wireless connection
- Integrated microphone for clear calls
- Built-in controls for music and call management
- 3.5mm Jack port for wired listening
- SD card slot for direct music playback
- Up to 8 hours of battery life
- Foldable design with rotating ear pads
- Adjustable headband for comfort

3. Setup

3.1 Charging the Headphone

Before first use, fully charge your T'nB Single 2 headphone. A full charge provides up to 8 hours of listening time.

1. Connect the supplied USB-C charging cable to the charging port on the headphone.
2. Connect the other end of the cable to a USB power source (e.g., computer USB port, USB wall adapter).
3. The LED indicator will show charging status (refer to the headphone's specific LED behavior for full/low battery).
4. Once fully charged, disconnect the cable.

3.2 Bluetooth Pairing

Pair your headphone with your smartphone or other Bluetooth-enabled device to enjoy wireless audio.

1. Ensure the headphone is turned off.
2. Press and hold the Power/Multi-function button until the LED indicator flashes rapidly (usually blue/red), indicating pairing mode.
3. On your device, enable Bluetooth and search for available devices.
4. Select "T'nB Single 2" from the list of found devices.
5. Once connected, the LED indicator will typically show a solid blue light or flash slowly.

3.3 Using the SD Card Slot

You can play music directly from a microSD card inserted into the headphone.

1. Insert a microSD card (pre-loaded with music files) into the dedicated SD card slot on the headphone.
2. The headphone should automatically switch to SD card playback mode. If not, use the mode button (if available) to switch.
3. Use the headphone controls to play, pause, and skip tracks.

3.4 Wired Connection (3.5mm Jack)

For battery saving or non-Bluetooth devices, use the 3.5mm audio cable (not included) for a wired connection.

1. Plug one end of a 3.5mm audio cable into the headphone's 3.5mm jack port.
2. Plug the other end into the audio output jack of your device (e.g., smartphone, laptop, MP3 player).
3. The headphone will automatically switch to wired mode, and Bluetooth will be disabled.

4. Operating Instructions

4.1 Power On/Off

- **Power On:** Press and hold the Power/Multi-function button for approximately 3 seconds until the LED indicator lights up.
- **Power Off:** Press and hold the Power/Multi-function button for approximately 3-5 seconds until the LED indicator turns off.

4.2 Music Playback Controls

The integrated controls allow you to manage your music directly from the headphone.

- **Play/Pause:** Press the Play/Pause button once.
- **Volume Up:** Press the Volume Up (+) button.
- **Volume Down:** Press the Volume Down (-) button.
- **Next Track:** Press and hold the Volume Up (+) button.
- **Previous Track:** Press and hold the Volume Down (-) button.

4.3 Call Management

The built-in microphone allows for hands-free calling.

- **Answer/End Call:** Press the Play/Pause button once during an incoming call to answer, or once during a call to end.
- **Reject Call:** Press and hold the Play/Pause button for approximately 2 seconds during an incoming call.
- **Redial Last Number:** Double-press the Play/Pause button.

Image: A man using the T'nB Single 2 headphone for a phone call, highlighting the clear communication provided by its integrated microphone.

5. Maintenance

Proper care will extend the life of your T'nB Single 2 headphone.

- **Cleaning:** Use a soft, dry cloth to clean the headphone. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the headphone in a cool, dry place, away from direct sunlight and extreme temperatures. The foldable design makes it easy to store in a bag or case.
- **Battery Care:** To preserve battery life, avoid fully discharging the battery frequently. Charge the headphone regularly, even if not used for extended periods.
- **Water Resistance:** This headphone is **not** waterproof. Avoid exposure to water, rain, or excessive moisture.

6. Troubleshooting

If you encounter issues with your headphone, refer to the following common problems and solutions:

Problem	Possible Solution
Headphone does not turn on.	Ensure the headphone is charged. Connect it to a power source using the USB-C cable.
Cannot pair with device.	◦ Ensure the headphone is in pairing mode (LED flashing rapidly). ◦ Make sure Bluetooth is enabled on your device. ◦ Move the headphone closer to your device. ◦ Forget "T'nB Single 2" from your device's Bluetooth list and try pairing again. ◦ Restart both the headphone and your device.
No sound or low volume.	◦ Adjust the volume on both the headphone and your connected device. ◦ Ensure the headphone is properly paired or the 3.5mm cable is fully inserted. ◦ If using an SD card, ensure the music files are compatible and the card is inserted correctly.
Microphone not working.	◦ Ensure the headphone is connected via Bluetooth for microphone functionality. ◦ Check microphone permissions on your connected device.
Battery drains quickly.	◦ Ensure the headphone is fully charged before use. ◦ High volume levels can reduce battery life. ◦ Battery performance may degrade over time with prolonged use.

7. Specifications
