6. Maintenance

6.1 Cleaning the Screen

Gently wipe the screen with a soft, dry microfiber cloth. For stubborn smudges, lightly dampen the cloth with water or a screen-safe cleaning solution. Avoid harsh chemicals or abrasive materials.

6.2 General Care

Keep the TV in a well-ventilated area. Avoid exposing it to direct sunlight or extreme temperatures. Ensure cables are neatly organized to prevent damage or tripping hazards.

7. Troubleshooting

7.1 No Power

- Check if the power cable is securely connected to both the TV and the wall outlet.
- Ensure the wall outlet is functioning by plugging in another device.
- Try pressing the power button on the TV itself, not just the remote.

7.2 No Picture/Sound

- Verify that the correct input source is selected on the TV.

- Check all HDMI or other connection cables for secure connections.
- Ensure external devices are powered on and functioning correctly.

7.3 Remote Control Not Responding

- Replace the batteries in the Magic Remote.
- Point the remote directly at the TV's remote sensor.
- If the issue persists, try re-pairing the Magic Remote according to the on-screen instructions or the quick start guide.

8. Warranty and Support

This manufacturer-refurbished unit is backed by a 90-day warranty for your peace of mind. For further assistance, please refer to the included User Manual or contact the seller, Electronic Express, for support.
