onerbl 26.5V AC/DC Adapter for VACLAB X11 Pro Vacuum Cleaner User Manual

Model: 1

Introduction

This manual provides essential instructions for the safe and effective use of your onerbl 26.5V AC/DC Adapter. This power adapter is specifically designed to be compatible with the VACLAB Model X11 Pro and X11Pro cordless lightweight stick vacuum cleaners, providing the necessary power for charging their 21.6V 2000mAh 43.2Wh Li-ion batteries.
Please read this manual thoroughly before using the product and retain it for future reference.

Safety Information

To ensure safe operation and prevent damage, please observe the following safety precautions:

- **Read All Instructions:** Familiarize yourself with all instructions before using the adapter.
- **Indoor Use Only:** This adapter is designed for indoor use. Do not expose it to rain, moisture, or extreme temperatures.
- **Proper Voltage:** Ensure the wall outlet voltage matches the adapter's input requirements (AC 100-240V).
- **Compatible Devices:** Use this adapter exclusively with compatible devices, specifically the VACLAB Model X11 Pro and X11Pro vacuum cleaners. Using it with incompatible devices may cause damage or safety hazards.
- **Avoid Damage:** Do not use the adapter if the cord or plug is damaged. Avoid bending, twisting, or pulling the cord excessively.
- **Ventilation:** Ensure adequate ventilation around the adapter during use. Do not cover it with cloths or place it in enclosed spaces.
- **Disconnect When Not in Use:** Unplug the adapter from the power outlet when not in use or during electrical storms.
- **Children and Pets:** Keep the adapter and its cord out of reach of children and pets.
- **Protection Features:** This adapter includes built-in over-voltage protection and over-heat protection to safeguard your devices. However, if the adapter becomes excessively hot, disconnect it immediately.

Image: The adapter features a smart chip providing multiple layers of protection, including safeguards against short-circuit, over-voltage, and over-current conditions.

Product Overview

The onerbl 26.5V AC/DC Adapter is a reliable power supply designed for your VACLAB X11 Pro vacuum cleaner. It features a compact and lightweight design, making it suitable for both home use and travel.

Image: Front and side views of the onerbl AC/DC adapter, highlighting its compact design and standard two-prong plug.

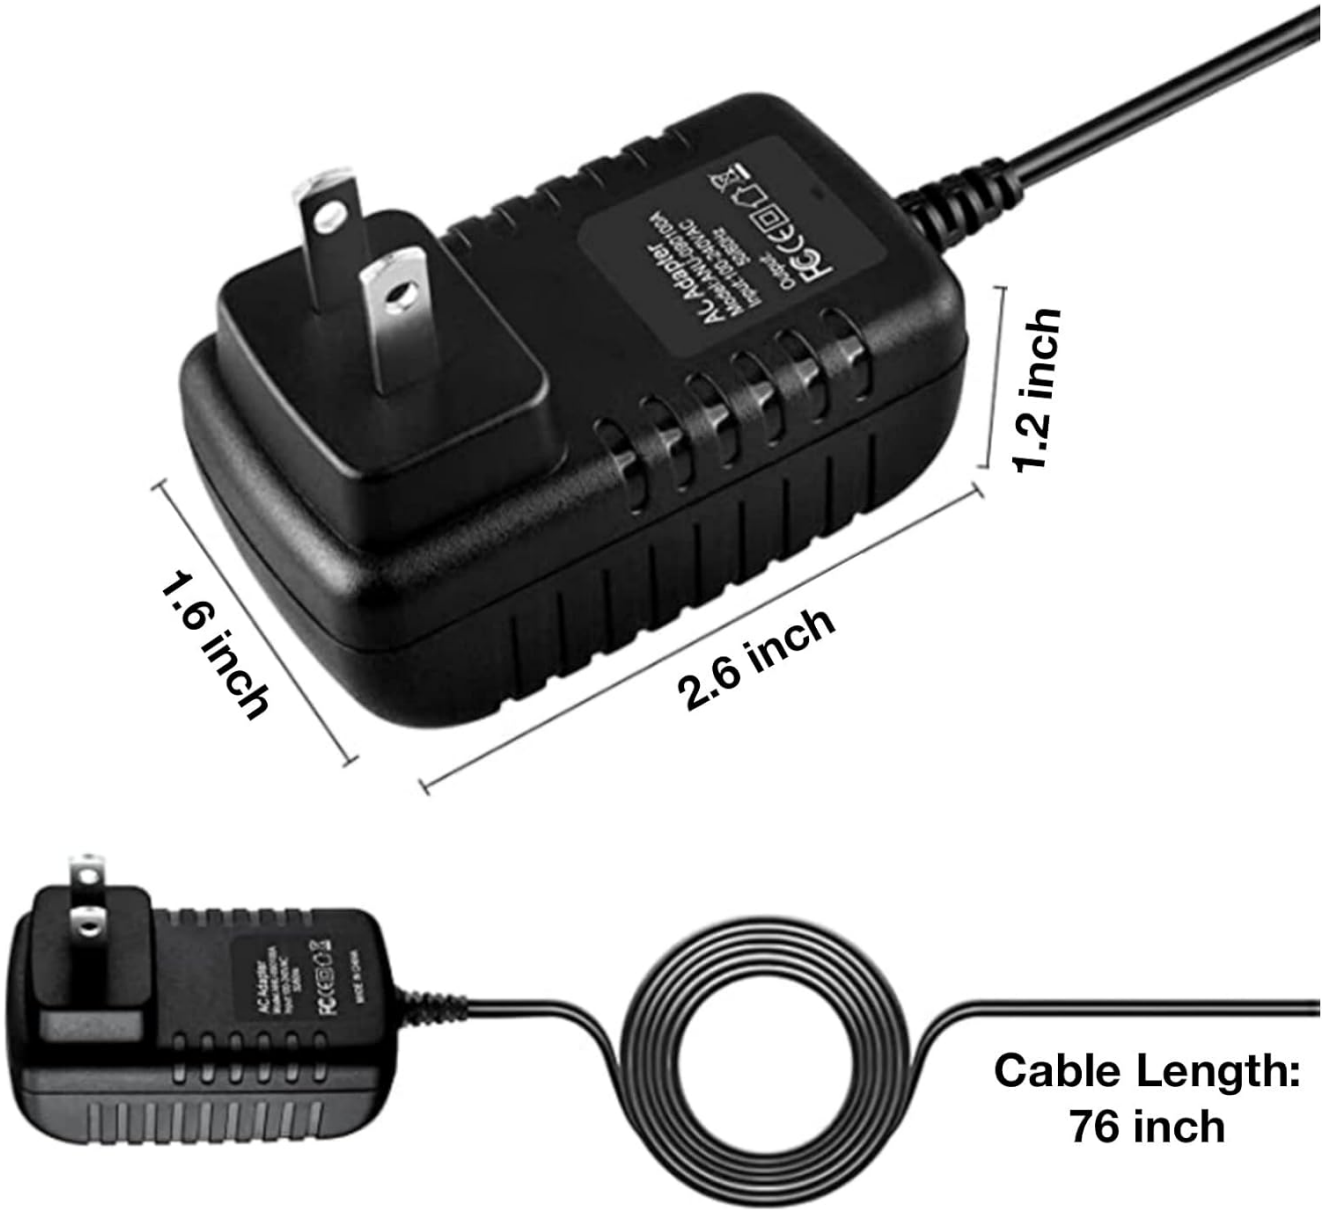

Image: Detailed dimensions of the adapter, indicating a length of 2.6 inches, width of 1.6 inches, height of 1.2 inches, and a cable length of 76 inches.

Image: Illustration of the adapter's durable design, featuring copper wire construction and a protective PVC jacket for the cable.

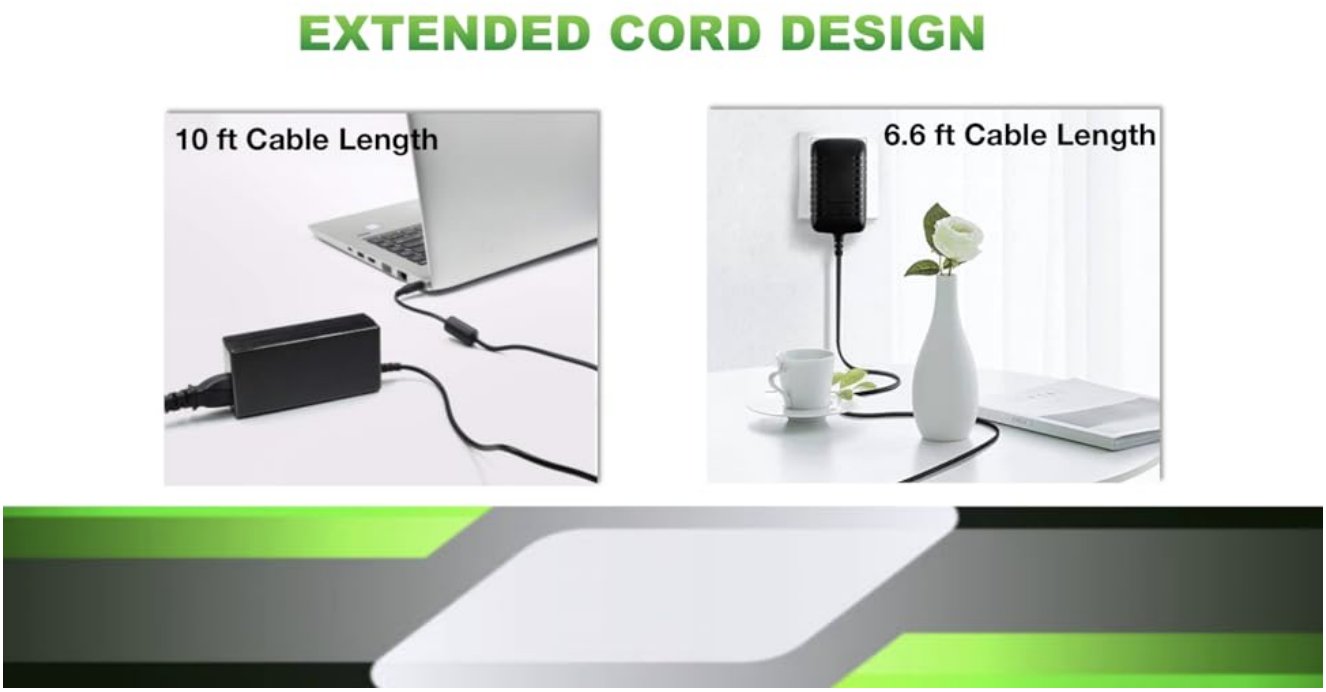

Image: This adapter features an extended cord design, providing ample reach for convenient charging.

Setup

Follow these steps to set up your onerbl AC/DC Adapter:

1. **Unpack:** Carefully remove the adapter from its packaging.
2. **Inspect:** Check the adapter and cable for any visible damage. Do not use if damaged.

3. **Connect to Power Outlet:** Plug the adapter's two-prong AC plug into a standard wall power outlet (AC 100-240V, 50/60Hz).
4. **Connect to Device:** Insert the DC output plug of the adapter into the charging port of your VACLAB Model X11 Pro or X11Pro vacuum cleaner.

Operating Instructions

Once the adapter is correctly connected to both the power outlet and your VACLAB X11 Pro vacuum cleaner, the charging process will begin automatically.

- **Charging Indication:** Refer to your VACLAB Model X11 Pro vacuum cleaner's user manual for specific information regarding charging indicators (e.g., LED lights) and estimated charging times.
- **Full Charge:** Disconnect the adapter from the vacuum cleaner once the battery is fully charged to conserve energy and prolong battery life.
- **Unplug from Wall:** It is recommended to unplug the adapter from the wall outlet when not in active use.

Maintenance

Proper maintenance will help extend the life of your onerbl AC/DC Adapter:

- **Cleaning:** Disconnect the adapter from all power sources before cleaning. Use a soft, dry cloth to wipe the exterior. Do not use liquid cleaners or solvents.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures. Avoid wrapping the cable too tightly around the adapter.
- **Cable Care:** Regularly inspect the power cord for any signs of wear, cuts, or damage. If damage is found, discontinue use immediately and replace the adapter.

Troubleshooting

If you encounter issues with your adapter, refer to the following common solutions:

Problem	Possible Cause	Solution
Device not charging.	Adapter not properly plugged into wall outlet or device.	Ensure both ends of the adapter are securely connected.
Device not charging.	Wall outlet is not active.	Test the wall outlet with another device or try a different outlet.
Device not charging.	Adapter or cable is damaged.	Inspect the adapter and cable for visible damage. Discontinue use if damaged and replace.
Adapter feels excessively hot.	Overload or poor ventilation.	Immediately unplug the adapter. Ensure it is not covered and has adequate airflow. If the issue persists, discontinue use.

If troubleshooting steps do not resolve the issue, please contact customer support.

Specifications

Feature	Detail
Brand	onerbl
Model Number	1
Compatible Devices	VACLAB Model X11 Pro, X11Pro Cordless Lightweight Stick Vacuum Cleaner
Input Voltage	AC 100-240V, 50/60Hz
