VanAcc Sofa Bed Instruction Manual

Brand: VanAcc | Model: B0C742NLLB

PRODUCT OVERVIEW

The VanAcc Sofa Bed is a versatile 2-in-1 pull-out couch designed for living rooms, guest rooms, or home offices. It features a sturdy and durable frame, a large storage chaise, thickened cushions with skin-friendly Boucle fabric, and additional arm cushions for optimal comfort. This multi-functional furniture piece easily converts from a sofa to a bed, offering both seating and sleeping solutions with integrated storage.

SETUP AND ASSEMBLY

Assembly of the VanAcc Sofa Bed requires approximately 1.5 hours with two people. All necessary instructions and tools are included. Please note that the product may arrive in two separate packages, which might be delivered on different days.

For detailed step-by-step instructions, please refer to the official installation manual:

TROUBLESHOOTING

Common Issues:

- Assembly Time:** While the manual suggests 1.5 hours for two people, individual assembly or first-time assemblers may take longer. Ensure all parts are correctly identified and oriented according to the diagrams.
- Heavy Packages:** The sofa bed comes in heavy packages. It is recommended to have two people for moving the boxes or use a furniture dolly.
- Part Identification:** Pay close attention to the diagrams in the assembly instructions, especially for left/right orientation of parts, as visual perspective can sometimes be misleading.
- Drawstring Functionality:** The drawstrings for lifting sections are designed to be tied to the frame. If you encounter issues, ensure they are securely fastened.

If you encounter any issues not covered here, please refer to the support section for contact information.
