

## Merax Full Size Wooden House Bed with Two Drawers (Model HM01635)

# Merax Full Size Wooden House Bed with Two Drawers Instruction Manual

Model: Full Size Wooden House Bed with Two Drawers (HM01635)

## 1. PRODUCT OVERVIEW

Thank you for choosing the Merax Full Size Wooden House Bed with Two Drawers. This bed frame is designed to provide a creative and functional sleeping space for children and teens. It features a unique house shape and includes two integrated drawers for convenient storage.

- **Creativity House Bed:** Features a classic house shape with a whimsical sky roof.
- **Spacious Storage:** Includes two drawers for storing clothes, toys, or other items.
- **Solid Construction:** Crafted from high-quality solid pine wood and MDF for durability.
- **Headboard Included:** Equipped with two headboards for comfort.

## 2. SAFETY INFORMATION

**Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in serious injury.**

- Do not exceed the maximum weight capacity of 350 LBS (158 kg).
- Ensure all parts are correctly assembled and fasteners are tightened securely before use.
- Regularly check all connections to ensure they remain tight.
- Use only the recommended mattress thickness of 6-8 inches.
- Keep small parts away from children during assembly to prevent choking hazards.
- This product is recommended for ages 6 and up.

## 3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

The package typically includes:

- Bed frame components (pine wood and MDF)
- Two storage drawers
- Slats for mattress support
- Assembly hardware (screws, bolts, etc.)
- Assembly tools (e.g., Allen wrench)
- Instruction manual

<b>Assembly Required</b>	Yes

## 5. SETUP AND ASSEMBLY INSTRUCTIONS

---

Assembly is required for this product. It is recommended that two adults assemble the bed. Please follow the step-by-step instructions provided in the included assembly guide. Ensure you have ample space and all tools ready before starting.

- 1. Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
- 2. Assemble Bed Frame:** Follow the diagrams in the separate assembly guide to connect the main bed frame components using the provided hardware. Pay close attention to the orientation of each piece.
- 3. Install Slats:** Securely attach the mattress support slats to the bed frame. Ensure even spacing and firm attachment.
- 4. Assemble Drawers:** Construct the two storage drawers according to the instructions, ensuring the wheels or glides are properly installed for smooth operation.
- 5. Insert Drawers:** Slide the assembled drawers into their designated spaces beneath the bed frame.
- 6. Final Check:** Double-check all screws and bolts to ensure they are tightened. Do not overtighten.

## 6. OPERATING INSTRUCTIONS (USAGE)

Once assembled, the Merax House Bed is ready for use. Place a full-size mattress (6-8 inches thick recommended) directly onto the slats. The integrated drawers can be pulled out for access to stored items and pushed back in when not in use.

- **Mattress Placement:** Position the mattress evenly on the bed slats.
- **Drawer Use:** Gently pull the drawers out from under the bed to access storage. Push them back in until they are flush with the bed frame.
- **Safety Guardrail:** The bed includes a safety guardrail as part of its design. Ensure it is always in place for the safety of the user.

## 7. MAINTENANCE

Proper care and maintenance will extend the life of your Merax House Bed.

- **Cleaning:** Wipe the wooden surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For specific care, refer to the 'Dry Clean Only' instruction for the wood finish, implying gentle cleaning methods.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections. Tighten any loose hardware to maintain stability and safety.
- **Drawer Maintenance:** Ensure drawer glides are free of debris for smooth operation.
- **Avoid Excessive Moisture:** Protect the wood from prolonged exposure to moisture or extreme temperature changes.

## 8. TROUBLESHOOTING

---

If you encounter any issues with your Merax House Bed, refer to the following common solutions:

- **Squeaking Noises:** Check all bed frame connections and tighten any loose bolts. Ensure the mattress is properly seated on the slats.
- **Drawers Sticking:** Inspect the drawer glides for obstructions. Ensure the drawers are assembled correctly and are not overloaded.
- **Instability:** Verify that all assembly steps were followed correctly and all hardware is securely fastened. Ensure the bed is placed on a flat, level surface.

If problems persist, please contact customer support for further assistance.

## 9. WARRANTY AND SUPPORT

---

For warranty information or customer support, please refer to the documentation included with your purchase or visit the official Merax website. Keep your purchase receipt for warranty claims.
