Bellemave House Bed Twin Size Floor Bed with Fence Railings Instruction Manual

Brand: Bellemave | Model: B0C77Z9SV6

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bellemave House Bed Twin Size Floor Bed with Fence Railings. Please read all instructions carefully before assembly and use to ensure safe and proper functionality.
The Bellemave House Bed is designed to facilitate a smooth transition for children from a crib to a larger bed, promoting independence with its low-to-ground design and protective fence railings. Its unique house shape also serves as a playful space for children.

Product Features

- **Floor Bed with Fence Railings:** Montessori-style design with low height for easy child access and independence.
- **Playhouse Design:** Unique house shape creates a fun and adorable space for sleeping and play.
- **Open & Spacious Twin Bed Frame:** Allows for creative decoration with ribbons, tents, or lanterns.
- **Advanced Wood Frame:** Crafted with solid pine wood and high-quality MDF for stability and security.
- **Strong Load-Bearing Capacity:** Designed to withstand play and provide protection for children.

Safety Information

WARNING:

- Keep away from young children to prevent entrapment.
- Always assemble fence railings securely to avoid pinch points.
- Do not exceed the maximum weight capacity of 300 pounds.

Ensure all screws and fasteners are tightened securely before use and check periodically for any loosening. Do not allow children to hang or climb on the roof structure as this may cause damage or injury.

Setup and Assembly

Assembly is required for this product. Detailed instructions and all necessary hardware are provided with the product packaging. It is recommended to have two adults for assembly.

1. Unpack all components and verify against the parts list provided in the separate assembly guide.
2. Assemble the base frame first, ensuring all connections are secure.
3. Attach the fence railings to the assembled base.
4. Construct and attach the house-shaped roof frame.
5. Place the mattress onto the bed slats.
6. Ensure all screws are fully tightened and the bed is stable before use.

For visual guidance, please refer to the assembly video below:

Operating Instructions

The Bellemave House Bed is designed for easy access and use by children. Its low-to-ground profile allows children to safely enter and exit the bed independently.

- Encourage your child to use the low entry point for getting in and out of bed.
- The fence railings provide a secure boundary, preventing accidental falls during sleep.
- The house frame can be decorated with lightweight fabrics, lights, or toys to create a personalized play space. Ensure any decorations are securely attached and do not pose a choking or entanglement hazard.

Maintenance

To ensure the longevity and safety of your Bellemave House Bed, follow these maintenance guidelines:

- Regularly inspect all screws and fasteners to ensure they are tight. Re-tighten as necessary.
- Clean the wooden surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Wipe up spills immediately to prevent damage to the wood finish.
- Avoid exposing the bed to extreme temperatures or humidity, which can cause wood to warp or crack.
- Do not drag the bed when moving it; always lift to prevent damage to the frame and floor.
