Bellemave Twin Size House Floor Bed with Fence Railings Instruction Manual

Model: bed-frames

INTRODUCTION

This manual provides detailed instructions for the assembly, safe operation, and maintenance of your Bellemave Twin Size House Floor Bed with Fence Railings. Please read all instructions carefully before assembly and use to ensure the safety and longevity of the product. Keep this manual for future reference.

SAFETY INFORMATION

WARNING: Keep away from young children to prevent entrapment. Always assemble fence railings securely to avoid pinch points. Do not allow children to jump or play roughly on the bed to prevent damage.

Ensure all hardware is tightened securely before use. Periodically check all connections and tighten as necessary. Do not use the bed if any parts are missing, damaged, or broken. Use only manufacturer-approved replacement parts.

PRODUCT FEATURES

- **Floor Bed Design:** This Montessori-style bed is designed for low height, allowing children easy access and promoting independence.
- **Fence Railings:** Integrated fence railings provide a secure sleeping area, reducing the risk of falls.
- **Playhouse Structure:** The house-shaped frame encourages imaginative play and can be decorated to personalize the space.
- **Durable Construction:** Crafted from solid pine wood and high-quality MDF for stability and long-term use.
- **Spacious Twin Size:** Accommodates a standard twin-size mattress, offering ample sleeping space.

SETUP (ASSEMBLY)

Your Bellemave House Floor Bed is delivered in one box and includes detailed assembly instructions. Please follow these steps for proper setup:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components and hardware listed in the included instruction manual are present.
2. **Identify Parts:** Lay out all wooden pieces and hardware. Refer to the parts list in your manual to identify each component.
3. **Assemble Base Frame:** Begin by assembling the main bed frame according to the step-by-step diagrams provided in your manual. Ensure all connections are secure but do not overtighten until the frame is fully assembled.
4. **Attach Fence Railings:** Securely attach the fence railings to the bed frame. Double-check that all screws are firmly tightened to prevent any movement or gaps.
5. **Install Slats:** Place and secure the bed slats onto the frame. Ensure they are evenly spaced and properly fastened to support the mattress.
6. **Construct House Frame:** Assemble the roof-shaped house frame on top of the bed structure. Ensure all joints are stable.
7. **Final Check:** Once assembly is complete, inspect the entire bed frame to ensure all screws and bolts are tight and that the structure is stable.

Note: Two people are recommended for assembly.

OPERATING (USAGE)

The Bellemave House Floor Bed is designed for children to provide a safe and accessible sleeping and play area.

- **Mattress Placement:** Place a standard twin-size mattress directly onto the bed slats. Ensure the mattress fits snugly within the frame.
- **Safe Entry/Exit:** The low-to-ground design allows children to easily get in and out of bed independently.
- **Decorative Use:** The house frame can be decorated with lightweight fabrics, lights, or toys to create a personalized play space. Ensure any decorations are securely attached and do not pose a choking or entanglement hazard.
- **Supervision:** Always supervise young children, especially during initial use, to ensure they understand safe interaction with the bed.

MAINTENANCE

Regular maintenance will help preserve the condition and safety of your Bellemave House Floor Bed.

- **Cleaning:** Wipe down the bed frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Hardware Check:** Periodically check all screws, bolts, and connections to ensure they remain tight. Retighten any loose hardware to maintain structural integrity.
- **Damage Inspection:** Regularly inspect the wooden components for any signs of wear, cracks, or damage. Discontinue use if significant damage is found and contact customer support for replacement parts.
- **Avoid Excessive Moisture:** Keep the bed in a dry environment to prevent warping or damage to the wood.

TROUBLESHOOTING

If you encounter any issues with your Bellemave House Floor Bed, refer to the following common solutions:

Problem	Possible Cause	Solution
Bed feels wobbly or unstable	Loose hardware; uneven assembly.	Check and tighten all screws and bolts. Ensure the bed is on a flat, level surface. Re-check assembly steps.
Parts do not fit together	Incorrect orientation of parts; manufacturing defect.	Review the assembly instructions carefully to ensure parts are oriented correctly. If parts are still not fitting, contact customer support.
Squeaking noises	Loose connections; friction between wood parts.	Tighten all hardware. Apply a small amount of paraffin wax or silicone spray to contact points between wooden components if necessary.
Missing hardware or damaged parts upon arrival	Shipping damage; packaging error.	Do not proceed with assembly. Contact Bellemave customer support immediately for replacement parts.

WARRANTY AND SUPPORT

Bellemave products are manufactured with quality and customer satisfaction in mind. For specific warranty details, please refer to the documentation included with your purchase or visit the official Bellemave website.

If you have any questions, require assistance with assembly, or need to report missing or damaged parts, please contact Bellemave customer support through your order detail page or the official brand website. Please have your model number (bed-frames) and purchase information ready when contacting support.
