SETUP AND ASSEMBLY

Your ODK desk is designed for straightforward assembly. All necessary tools, including a screwdriver, and a detailed instruction manual are included in the package. Follow the step-by-step instructions provided in the manual for a smooth setup process.

- **Unpacking:** Carefully remove all components from the packaging. Check the parts list against the included manual to ensure all pieces are present.
- **Tools:** The required screwdriver is provided. No additional tools are typically needed.

- **Instructions:** The assembly manual features clear, concise instructions with sub-labels and diagrams to guide you through each step. Pay close attention to the orientation of parts as indicated in the diagrams.
- **Assembly Tips:**
 - Assemble on a soft, clean surface to prevent scratches.
 - Do not overtighten screws during initial assembly; tighten fully once all parts are loosely connected.
 - It is recommended to have two people for assembly, especially when handling larger components like the desktop.

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your ODK desk.

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Heat:** Use coasters or protective pads under hot items to prevent heat damage to the desktop.

TROUBLESHOOTING

If you encounter any issues with your ODK desk, refer to the following common troubleshooting tips:

- **Desk Wobbles:**

- Ensure all screws and bolts are securely tightened.
- Check that the desk is on a level surface. Adjust leg levelers if present, or place shims under the legs if needed.
- Verify that all structural components are correctly assembled according to the manual.

- **Drawers Stick or Don't Slide Smoothly:**

- Ensure the drawers are inserted correctly and are not overloaded.
- Check for any obstructions in the drawer slides.

- **Missing Parts:**

- Double-check all packaging materials.
- Contact ODK customer service immediately with your purchase details.
