Lvifur 360° Rotating LED Jewelry Armoire with Full Length Mirror - Instruction Manual

Model: B0C7BZSFGK

1. INTRODUCTION

This manual provides essential information for the assembly, operation, and maintenance of your Lvifur 360° Rotating LED Jewelry Armoire. This versatile unit combines a full-length mirror, a comprehensive jewelry organizer, and additional storage shelves, designed to enhance your daily routine and organize your valuables. Please read these instructions carefully before assembly and use to ensure proper function and longevity of the product.

The armoire features a 3-in-1 design, integrating a jewelry organizer, a full-length mirror, and a storage rack. It includes an LED-illuminated interior mirror, a 360° rotating base for flexible positioning, and a lockable design for security. Additional features include a collapsible makeup tray and a lower storage cabinet with a mirror.

2. SAFETY INFORMATION

- **Read all instructions:** Ensure you understand all assembly and operating instructions before use.
- **Adult Assembly Required:** Assembly should be performed by adults. Keep children away during assembly.
- **Secure Placement:** Place the armoire on a flat, stable, and level surface to prevent tipping.
- **Weight Distribution:** Distribute items evenly within the armoire to maintain balance, especially when rotating.
- **LED Lights:** The LED lights require 3 AA batteries (not included). Ensure correct battery polarity and do not mix old and new batteries or different battery types. Remove batteries if the unit will not be used for an extended period.
- **Lockable Design:** Use the provided keys to secure valuables. Keep keys out of reach of children.
- **Mirror Care:** Handle the mirror with care to avoid breakage. Clean with a soft, damp cloth and a mild glass cleaner.
- **Moving the Armoire:** When moving the armoire, ensure the door is securely closed and locked. Lift from

the base, do not drag.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Jewelry Armoire Main Body (with full-length mirror)
- 360° Rotating Base
- Rear Storage Shelves components
- Assembly Hardware (screws, bolts, etc.)
- Keys for Lockable Door (2 included)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Follow the detailed assembly guide included in your package. Ensure all steps are completed correctly for stability and safety. A Phillips head screwdriver may be required (not included).

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble the Base:** Attach the rotating base components as per the diagram in the assembly guide.
3. **Attach Rear Shelves:** Secure the rear storage shelves to the main body of the armoire.
4. **Connect Main Body to Base:** Carefully mount the main armoire body onto the assembled rotating base.
5. **Install Hardware:** Secure all screws and fittings. Do not overtighten.
6. **Insert Batteries:** Open the interior mirror compartment and insert 3 AA batteries (not included) into the designated battery box for the LED lights.
7. **Final Check:** Ensure all connections are tight and the armoire is stable before use.

5. SETUP AND PLACEMENT

Choose a suitable location for your jewelry armoire. Consider proximity to a wall for stability and sufficient space for the 360° rotation feature.

- **Location:** Place the armoire on a flat, hard floor surface. Avoid uneven carpets or rugs that might impede rotation.
- **Clearance:** Ensure adequate clearance around the armoire for full 360° rotation and for opening the main door.
- **Battery Installation:** If not already done during assembly, install 3 AA batteries into the battery compartment for the LED lights. The compartment is typically located inside the main door, near the interior mirror.

6. OPERATING INSTRUCTIONS

6.1. Opening and Closing the Armoire

- To open the main door, gently pull the door handle. The door is secured by a magnetic catch.
- To close, push the door firmly until the magnetic catch engages.
- To lock the armoire, insert one of the provided keys into the lock on the side of the door and turn.

6.2. Using the LED Lights

- The LED lights inside the armoire are designed to automatically turn on when the main door is opened, provided batteries are installed.
- Ensure 3 AA batteries are correctly installed in the battery compartment.

6.3. 360° Rotation

- The armoire features a 360° rotating base. To rotate, gently push the armoire from the side.
- Ensure the area around the base is clear of obstructions to allow for smooth rotation.

6.4. Internal Storage Features

The interior is designed for comprehensive jewelry and cosmetic organization:

- **Ring Slots:** Padded slots for storing rings.
- **Bracelet Rod:** A rod for hanging bracelets and bangles.
- **Necklace Hooks:** Multiple hooks for hanging necklaces to prevent tangling.
- **Acrylic Cosmetic Boxes:** Clear compartments for makeup and small accessories.
- **Foldable Makeup Shelf:** A shelf that can be extended for temporary placement of cosmetics during use.
- **Storage Cabinet with Mirror:** A lower cabinet with a mirror, suitable for footwear or other items.
- **Clear Acrylic Bottom Drawers:** Transparent drawers for additional storage and easy visibility of contents.

7. MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray cleaner onto the cloth, not directly onto the mirror, to avoid liquid seeping into the frame.
- **Cleaning the Exterior:** Wipe the wood surfaces with a soft, dry, or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Interior Care:** The velvet-lined interior helps prevent scratches. For light cleaning, use a soft brush or a vacuum cleaner with a brush attachment.
- **Battery Replacement:** Replace AA batteries for the LED lights when they dim or stop working.

8. TROUBLESHOOTING

Issue	Possible Cause	Solution
LED lights do not turn on.	No batteries, incorrect battery installation, or dead batteries.	Ensure 3 AA batteries are installed correctly with proper polarity. Replace with new batteries if necessary.
Armoire does not rotate smoothly.	Obstruction around the base, uneven floor surface, or heavy/unevenly distributed contents.	Clear any objects from around the base. Move the armoire to a level surface. Redistribute contents to balance the weight.
Door is difficult to open/close.	Strong magnetic catch or misalignment.	Apply firm, steady pressure to open. Check hinges for proper alignment if the issue persists.
Glue residue on mirror after removing protective film.	Adhesive from protective film.	Use a product like Goo Gone or rubbing alcohol on a soft cloth to gently remove residue. Test on an inconspicuous area first.

9. SPECIFICATIONS

Feature	Detail
Brand	Lvifur
Model	B0C7BZSFGK
Color	Grey 360° Rotating
Material	Wood, Engineered Wood
Product Dimensions	4"D x 16"W x 63"H (10.16cm D x 40.64cm W x 160.02cm H)
