Lvifur 360° Rotating LED Jewelry Armoire with Full Length Mirror

Model: 360° Rotating LED Jewelry Armoire

Brand: Lvifur

1. Introduction

This manual provides essential information for the safe and efficient use of your Lvifur 360° Rotating LED Jewelry Armoire with Full Length Mirror. This product integrates a jewelry organizer, a full-length mirror, and a storage rack into a single unit, designed to streamline your daily routine and organize your accessories. Please read these instructions carefully before assembly and use, and retain them for future reference.

2. Product Features

- **3-in-1 Design:** Combines a jewelry organizer, a full-length mirror, and a storage rack for comprehensive utility.
- **LED Mirror:** Features an integrated LED lighting system that automatically activates upon opening the cabinet. (Requires 3 AA batteries, not included).
- **360° Rotating Base:** Allows the armoire to rotate fully, providing easy access to both the mirror and the rear storage shelves.
- **Versatile Storage:** Includes a collapsible makeup tray for cosmetics and a lower storage cabinet with a mirror for footwear or other items.
- **Lockable Design:** Equipped with a lock and two keys to secure valuables. The interior is velvet-lined to protect jewelry from scratches.

3. Assembly and Setup

The Lvifur Jewelry Armoire requires assembly. Please refer to the separate assembly instructions included in the product packaging for detailed, step-by-step guidance. Ensure all components are present and undamaged before beginning assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

3.1 Initial Placement

Choose a stable, level surface for placement. The 360° rotating base requires sufficient clearance around the unit for full rotation. Avoid placing the armoire in areas with high humidity or direct sunlight to preserve the material and mirror quality.

4. Operating Instructions

4.1 Using the LED Mirror

The internal makeup mirror features LED lighting. To activate the lights, ensure 3 AA batteries (not included) are correctly installed in the battery compartment. The lights are designed to turn on automatically when the cabinet door is opened, providing illumination for selecting jewelry or applying makeup.

5. Maintenance

5.1 Cleaning

Wipe the exterior surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish. For the mirror, use a glass cleaner and a lint-free cloth. Ensure the interior velvet lining remains dry and free of dust.

5.2 Care for Jewelry

The velvet-lined interior helps prevent scratches. To maintain the condition of your jewelry, ensure items are placed in their designated compartments without overcrowding. Avoid storing wet or damp items inside the armoire.

6. Troubleshooting

- **LED Lights Not Working:** Check if 3 AA batteries are installed correctly and are not depleted. Replace batteries if

necessary.

- **Difficulty Rotating the Armoire:** Ensure the 360° rotating base is on a smooth, level surface and is free from any obstructions. If rotation remains stiff, check for any debris under the base.
- **Cabinet Door Hard to Open/Close:** Verify that the armoire is assembled correctly and that the magnetic closure is aligned. Avoid forcing the door.
