MAINTENANCE

Cleaning

- Use a soft, lint-free cloth slightly dampened with water or a screen cleaner to clean the display.
- For the keyboard and chassis, use a soft cloth. Avoid harsh chemicals or abrasive materials.

Software Updates

Regularly check for and install Windows updates and Lenovo driver updates to ensure system stability, security, and optimal performance.

Battery Care

To prolong battery life, avoid extreme temperatures and fully discharging the battery frequently. For long-term storage, charge the battery to about 50-60%.

TROUBLESHOOTING

Common Issues and Solutions

- **Laptop does not power on:** Ensure the power adapter is securely connected and the battery has sufficient charge. Try a hard reset by holding the power button for 10-15 seconds.
- **Display issues (no image, flickering):** Check external display connections if applicable. Restart the laptop. Update graphics drivers.
- **Wi-Fi or Bluetooth connectivity problems:** Ensure wireless features are enabled. Restart the router/modem. Update network drivers.
- **Slow performance:** Close unnecessary applications. Check for background processes. Ensure sufficient free storage space.
- **Touchscreen unresponsive:** Restart the laptop. Check for driver updates for the touchscreen.
