MJDDJA M1020

MJDDJA Mini Building Blocks Bamboo Panda Instruction Manual

Model: M1020

1. Introduction

This manual provides detailed instructions for assembling and caring for your MJDDJA Mini Building Blocks Bamboo Panda set. This building set is designed to promote concentration, hand-eye coordination, and critical thinking through engaging construction.

Safety Information: The micro building blocks are made from durable ABS material with smooth edges, meeting US safety standards. This product is recommended for individuals aged 6 years and up. Due to the small size of the blocks, adult supervision is advised for younger builders to prevent choking hazards.

Image 1.1: Close-up view of the panda model highlighting its smooth edges.

2. Package Contents

Your MJDDJA Mini Building Blocks Bamboo Panda set includes the following items:

- Approximately 504 Micro Building Blocks (various colors and shapes)
- 1 Instruction Manual (this document)

3. Setup (Assembly Instructions)

Follow the step-by-step pictorial instructions provided in the included manual to assemble your Panda model. The micro blocks are significantly smaller than standard building blocks, requiring precision and patience.

Image 3.1: Overview of the product, including the assembled panda, packaging, and a comparison of micro blocks to a hand.

1. **Step 1: Preparation**: Unpack all micro building blocks and sort them by color and shape to facilitate assembly. Ensure a clean, flat surface for building.
2. **Step 2: Initial Layers**: Begin by carefully connecting the base pieces as shown in the instructions. Refer to the provided diagrams for correct placement.
3. **Step 3: Building Upwards**: Continue adding layers, paying close attention to the block placement and orientation. The instructions will guide you through intricate sections such as the panda's body and head.
4. **Step 4: Attaching Details**: Attach smaller detail pieces, including the eyes, nose, and the green bamboo stalks, to complete your panda model.

Note: Patience and careful handling are advised during assembly due to the small size of the blocks.

Image 3.2: An adult and child engaged in the assembly process of the micro block panda.

Image 3.3: Various detailed views of the assembled panda, showcasing its head, bamboo, ear, and overall expression.

4. Operating (Interaction)

Once assembled, your MJDDJA Bamboo Panda model is intended as a decorative item. It can be displayed on shelves, desks, or any flat surface.

The model is designed for static display. While durable, avoid excessive force or dropping to prevent disassembly of the micro blocks.

Image 4.1: The completed panda model displayed as a decorative piece on a shelf.

5. Maintenance

Proper care will help maintain the appearance and integrity of your panda model.

- **Cleaning**: To clean your assembled panda model, gently wipe it with a dry, soft cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive materials.
- **Storage**: Store the model in a stable location away from direct sunlight and extreme temperatures to preserve its color and structural integrity. If disassembled, store blocks in a sealed container to prevent loss.

6. Troubleshooting

Refer to the following solutions for common issues:

- **Missing Pieces**: In the rare event of missing pieces, please contact MJDDJA customer support. Refer to the 'Warranty & Support' section for contact information regarding our hassle-free missing parts service.
- **Difficulty Assembling**: The micro blocks are small and require fine motor skills. If experiencing difficulty,

review the instructions carefully, ensuring each piece is correctly oriented. Building with an adult or older child may be beneficial for younger users.

- **Loose Connections**: Ensure each block is firmly pressed into place. Some connections may require more pressure than others to secure properly.

7. Specifications

Product Dimensions	3 x 2.7 x 2.9 inches
Item Weight	3.84 ounces
Item Model Number	M1020
Manufacturer Recommended Age	6 years and up
Material	Durable ABS
Number of Pieces	Approximately 504
