boAt Airdopes Max Truly Wireless Earbuds User Manual

1. INTRODUCTION

This manual provides detailed instructions for the proper use and maintenance of your boAt Airdopes Max Truly Wireless Earbuds. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

What's in the Box

- 1 x boAt Airdopes Max Truly Wireless Earbuds
- 1 x Charging Case
- 1 x USB Type-C Charging Cable
- 2 x Additional Earbuds (pairs of different sizes)
- 1 x User Manual

An overhead view of the boAt Airdopes Max Truly Wireless Earbuds, showing both earbuds removed from their open charging case. The earbuds are black with a sleek design, and the charging case is also black.

2. SETUP

2.1 Charging the Earbuds and Case

Before initial use, fully charge the Airdopes Max. Connect the provided USB Type-C cable to the charging port on the case and to a power source. The LED indicator on the case will show charging status. A full charge ensures up to 100 hours of total playback time with the charging case.

- **ASAP Charge:** A 5-minute charge provides approximately 60 minutes of playback.

An image illustrating the 'ASAP Charge' capability of the boAt Airdopes Max, showing the earbuds and charging case with a lightning bolt icon and text '5 Mins Charge 60 Mins Playback', set in a stylized outdoor scene.

2.2 Pairing with a Device

1. Open the lid of the charging case. The earbuds will automatically power on and enter pairing mode (indicated by a flashing LED on one earbud).
2. Enable Bluetooth on your device (smartphone, tablet, laptop).
3. Search for available Bluetooth devices and select "Airdopes Max" from the list.
4. Once connected, a voice prompt will confirm successful pairing.

Insta Wake 'n' Pair (IWP) Technology: The earbuds connect instantly to your previously paired device as soon as you open the charging case lid.

A composite image showcasing three features: a smartphone screen showing 'Airdopes Max Connected' with the earbuds and case, a close-up of an earbud highlighting touch controls, and the compact charging case, illustrating ease of use and portability.

3. OPERATING INSTRUCTIONS

3.1 Touch Controls

The Airdopes Max features intuitive touch controls on each earbud for managing audio playback, calls, and voice assistants.

Function	Action
Play/Pause Music	Single tap on either earbud
Next Track	Double tap on the right earbud
Previous Track	Double tap on the left earbud
Answer/End Call	Single tap on either earbud

Function	Action
Reject Call	Long press on either earbud
Activate Voice Assistant	Triple tap on either earbud
Toggle BEAST Mode	Long press on the right earbud (specific gesture may vary, refer to product guide for exact details)

3.2 BEAST Mode (Low Latency)

Activate BEAST Mode for a low-latency audio experience, ideal for gaming. This mode reduces audio delay to approximately 50ms, synchronizing audio with on-screen action.

An image highlighting the 'BEAST Mode' feature of the boAt Airdopes Max, showing the earbuds and charging case with a sports car on a winding road in a city background, signifying low latency for gaming.

3.3 Voice Assistants

The Airdopes Max supports single-touch activation for Google Assistant and Siri, allowing hands-free control of your device.

4. MAINTENANCE

4.1 Cleaning

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use harsh chemicals, cleaning solvents, or strong detergents.
- Clean the charging contacts on both the earbuds and the case regularly to ensure proper charging.

4.2 Water Resistance

The earbuds are rated IPX5 for water and sweat resistance. This means they can withstand splashes and light rain, making them suitable for workouts. They are not designed for submersion in water.

A split image showing the boAt Airdopes Max earbuds being splashed with water, indicating IPX5 resistance, and the charging case with a USB Type-C port, demonstrating its charging interface.

4.3 Storage

Store the earbuds in their charging case when not in use to protect them and keep them charged. Avoid storing them in extreme temperatures or high humidity.

5. TROUBLESHOOTING

If you encounter issues with your Airdopes Max, refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "Airdopes Max" from your device's Bluetooth list and re-pair.
Only one earbud working	Place both earbuds back in the case, close the lid, wait a few seconds, then open again. Ensure both earbuds are charged.
No sound	Check device volume. Ensure earbuds are connected. Try re-pairing.
Charging issues	Ensure charging cable is securely connected. Clean charging contacts on earbuds and case. Try a different charging cable or power source.
Touch controls unresponsive	Ensure earbuds are clean and dry. Restart the earbuds by placing them in the case and taking them out.

6. SPECIFICATIONS

Feature	Detail
