**Samsung EF-MF946CUEGUS**

# Samsung Galaxy Z Fold5 Standing Phone Case with Strap

Model: EF-MF946CUEGUS

## Introduction

This manual provides comprehensive instructions for the setup, operation, and maintenance of your Samsung Galaxy Z Fold5 Standing Phone Case with Strap. This protective cover is designed to enhance your device's functionality by offering both a kickstand for hands-free viewing and a strap for secure handling. The case allows for easy interchangeability between these two convenient features.

## Setup

### 1. Installing the Case

1. Ensure your Samsung Galaxy Z Fold5 is clean and free of dust or debris.
2. Carefully align the phone with the case, starting with one side.
3. Gently press the phone into the case, ensuring all edges are securely seated. The case is designed for a snug fit to provide optimal protection.

### 2. Attaching and Swapping Accessories (Kickstand/Strap)

The case comes with interchangeable attachments: a kickstand and a strap. These can be swapped based on your preference.

1. To attach an accessory, align its connectors with the corresponding slots on the back of the case.
2. Press firmly until you hear a click, indicating it is securely locked into place.
3. To remove an accessory, gently push the release tab (if present) or pull the accessory away from the case with moderate force until it detaches.

## Operating Instructions

### 1. Using the Kickstand

- To deploy the kickstand, gently pull it outwards from the back of the case until it locks into an open position.
- Place your phone on a flat surface to enjoy hands-free viewing of content.
- To retract the kickstand, push it back into its recess until it lies flush with the case.

### 2. Using the Strap

- Once the strap attachment is secured, slide your fingers through the strap to achieve a comfortable and secure grip on your device.
- The strap helps prevent accidental drops and provides added stability when holding the phone, especially when

unfolded.

## Maintenance

### 1. Cleaning Instructions

- To clean the case, gently wipe it with a soft, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or solvents, as these may damage the case material.
- Ensure the case is completely dry before reattaching it to your phone.

### 2. Care Guidelines

- Avoid exposing the case to extreme temperatures or direct sunlight for prolonged periods.
- Do not attempt to bend or forcefully remove the case from your device, as this may cause damage to both the case and the phone.
- Regularly inspect the kickstand and strap attachments for any signs of wear or damage.

## Troubleshooting

| Problem | Solution |
|---|---|
| Case does not fit properly or feels loose. | Ensure the case is designed specifically for the Samsung Galaxy Z Fold5 (Model EF-MF946CUEGUS). Remove and re-install the case, ensuring all corners and edges are correctly aligned and snapped into place. |
| Kickstand or strap attachment feels loose or detaches easily. | Verify that the attachment is fully engaged and clicked into its slot. Inspect the attachment points on both the case and the accessory for any debris or damage that might prevent a secure connection. |
| Difficulty deploying or retracting the kickstand. | Check for any obstructions or debris in the hinge mechanism. Apply gentle, even pressure when deploying or retracting. Do not force the kickstand. |

## Specifications
