Yaheetech YT-00124420-001

Yaheetech Classic Metal Platform Bed Frame Instruction Manual

MODEL: YT-00124420-001 (KING SIZE, ANTIQUE GOLD)

1. Introduction

Thank you for choosing the Yaheetech Classic Metal Platform Bed Frame. This manual provides essential information for the safe and proper assembly, use, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. Safety Information

Important Safety Precautions:

- Always follow the assembly instructions carefully to ensure stability.
- Be cautious around the bed frame to avoid any potential injuries from sharp edges or falling objects.
- Ensure all bolts and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- Do not exceed the maximum weight capacity of 800 lbs.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- Do not jump on the bed frame.

3. Package Contents

Before assembly, verify that all components are present and undamaged. The package should include:

- Headboard
- Footboard
- Slats
- Side Rails
- Support Legs
- All necessary hardware (bolts, nuts, washers)
- Installation Manual

4. Assembly Instructions

Assembly is straightforward with the provided illustrated manual and hardware. It is recommended to have two people for easier assembly.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Refer to the parts list in the included manual to identify each piece.

2. **Assemble Headboard and Footboard:** Connect the vertical and horizontal bars of the headboard and footboard sections as per the diagrams.

3. **Attach Side Rails:** Connect the side rails to the assembled headboard and footboard using the provided bolts and tools. Ensure a secure fit.

4. **Install Support Slats:** Carefully place the metal slats into the designated slots on the side rails. Ensure each slat is properly seated and secured.

5. **Secure Connections:** For enhanced stability, fasten the L-shaped plates at critical connection points as shown in the diagram. Tighten all bolts firmly but do not overtighten.

Aim the metal pipe at the notch   Press hard and fix

5. Usage Guidelines

This platform bed frame is designed to support your mattress directly, eliminating the need for a box spring. Its robust metal construction provides strong support for a relaxing sleep, and it is engineered to be squeak-resistant after proper assembly.

The high headboard design offers comfortable back support for reading or watching TV. Additionally, the frame provides 12.6 inches of clearance for convenient under-bed storage, allowing you to maximize space in your bedroom.

6. Maintenance

To ensure the longevity and appearance of your Yaheetech bed frame, follow these maintenance guidelines:

- **Cleaning:** Wipe clean with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the powder-coated finish.
- **Regular Checks:** Periodically inspect all bolts and connections to ensure they remain tight. Re-tighten any loose fasteners to maintain stability and prevent squeaking.
- **Placement:** Place the bed frame on a level surface to ensure even weight distribution and prevent structural stress.

7. Troubleshooting

If you encounter any issues with your bed frame, consider the following common solutions:

- **Squeaking Noise:** Squeaking is often caused by loose connections. Re-tighten all bolts, especially those

connecting the side rails to the headboard and footboard, and the slats to the frame. Ensure the bed is on a level surface.

- **Instability/Wobbling:** Check that all components are correctly assembled according to the manual. Ensure all L-shaped plates and support legs are properly installed and tightened.
- **Mattress Sliding:** Verify that the mattress is correctly positioned on the built-in slats. The design is intended to prevent sliding, but an ill-fitting mattress or improper placement can cause movement.

If problems persist, please contact Yaheetech customer support for further assistance.

8. Specifications

| Attribute	Detail
Size	King
Product Dimensions	82.5"L x 78.5"W x 42"H
Color	Antique Gold
Finish Type	Powder Coated
Compatible With Mattress Size	80" L × 76" W
Brand	Yaheetech
Item Weight	59.1 pounds
Ground To Item Distance	12.6 Inches
Assembly Required	Yes
