YUBWVO W50-STAND

YUBWVO W50 Laptop Stand Instruction Manual

1. INTRODUCTION

This manual provides essential information for the proper setup, operation, and maintenance of your YUBWVO W50 Laptop Stand. Please read these instructions carefully before using the product to ensure optimal performance and longevity.

Figure 1: YUBWVO W50 Laptop Stand with a laptop.

2. PRODUCT FEATURES

- **360° Rotating Base:** The stand features a 360° rotatable axis, allowing for easy screen sharing and collaborative work.
- **Ergonomic Adjustability:** Easily lifts your laptop to an ergonomic eye level, promoting better posture and reducing neck and back strain.
- **Foldable and Portable Design:** Designed for convenience, the stand can be fully folded for easy storage and transport.
- **Enhanced Heat Dissipation:** An X-shape design combined with a 100% aluminum alloy body ensures optimal ventilation and airflow, preventing laptop overheating.
- **Wide Compatibility:** Compatible with most laptops and portable monitors ranging from 11 to 16 inches,

including various MacBook, Dell, HP, and Chromebook models.

3. PACKAGE CONTENTS

- 1 x YUBWVO W50 Laptop Stand
- 1 x User Manual

4. SETUP INSTRUCTIONS

Follow these steps to set up your YUBWVO W50 Laptop Stand:

1. Carefully remove the laptop stand from its packaging.
2. Place the folded stand on a stable, flat surface.
3. Unfold the base legs to form a stable support structure.
4. Extend the main arm of the stand to your desired height and angle. The joints are designed to hold their position firmly.
5. Adjust the laptop holding arms to securely cradle your device. Ensure the anti-slip pads are in contact with your laptop.
6. Place your laptop or portable monitor onto the stand.

This video demonstrates the unfolding, adjustment, and placement of a laptop and portable monitor on the YUBWVO W50 Laptop Stand, highlighting its versatility and ease of use.

5. OPERATING INSTRUCTIONS

5.1 Adjusting Height and Angle

The YUBWVO W50 Laptop Stand offers multiple points of articulation for customized height and angle adjustments. To adjust:

1. Gently hold your device with one hand.
2. With the other hand, carefully move the stand's arms to achieve your desired viewing height and angle. The joints are designed to be firm to maintain stability.
3. Ensure the stand is stable before releasing your device.

Multi-Angle Adjustable for Best Viewing Position

5.2 Using the 360° Swivel Base

The base of the stand can rotate 360 degrees, facilitating easy screen sharing and collaborative work environments.

1. With your device securely on the stand, gently rotate the base to face the desired direction.
2. The smooth rotation allows for quick adjustments without needing to lift or reposition the entire stand.

360° Swivel Base

Ideal for face-to-face interactions

Figure 4: 360-degree swivel functionality.

5.3 Folding for Storage

To fold the stand for storage or transport:

1. Remove your device from the stand.
2. Gently collapse the main arm and then fold the base legs inward until the stand is in its compact form.

Versatile Compatibility

Perfect for
ALL MACBOOKS/LAPTOPS/PORTABLE MONITOR
from **5"** to **17"**

Figure 5: Folded dimensions for portability.

6. MAINTENANCE

To ensure the longevity and proper functioning of your YUBWVO W50 Laptop Stand:

- **Cleaning:** Wipe the stand with a soft, damp cloth. Avoid using abrasive cleaners or solvents that may damage the finish.

- **Storage:** When not in use, fold the stand to its compact size and store it in a dry, cool place away from direct sunlight.
- **Inspection:** Periodically check all joints and connections to ensure they are secure. Do not attempt to over-tighten or disassemble the joints.

7. TROUBLESHOOTING

- **Stand feels unstable:** Ensure all base legs are fully extended and placed on a flat, stable surface. Verify that your device is centered on the stand.
- **Difficulty adjusting joints:** The joints are designed to be firm to support your device. Apply steady, even pressure when adjusting. Do not force the joints.
- **Laptop sliding:** Ensure the anti-slip silicone pads on the holding arms are clean and free of debris. Verify your laptop's size is within the compatible range (11-16 inches).

8. SPECIFICATIONS

Feature	Specification
