Amazon Fire TV Stick 3rd Generation

Amazon Fire TV Stick (3rd Generation) User Manual

Model: Fire TV Stick 3rd Generation

INTRODUCTION

The Amazon Fire TV Stick (3rd Generation) is a powerful streaming media player designed to bring a world of entertainment to your TV. Enjoy fast Full HD streaming, support for HDR and Dolby Atmos, and easy access to your favorite apps and content with the included Alexa Voice Remote.

This manual provides detailed instructions for setting up and operating your Fire TV Stick, along with important specifications and troubleshooting tips.

SETUP GUIDE

Setting up your Fire TV Stick is simple and takes just a few steps.

1. **Connect the Fire TV Stick:** Plug the Fire TV Stick directly into an available HDMI port on your TV. If space is limited, use the included HDMI extender cable.

HDMI端子に挿して テレビの背面にすっきり収まる

Image: The Fire TV Stick plugged into the back of a television's HDMI port, showing a neat installation.

2. **Power On:** Connect the USB cable to the Fire TV Stick and then to the power adapter. Plug the power adapter into a wall outlet.
3. **Insert Batteries into Remote:** Open the battery compartment on the back of the Alexa Voice Remote and insert the two included AAA batteries.
4. **Select HDMI Input:** Turn on your TV and select the correct HDMI input where your Fire TV Stick is connected.
5. **Follow On-Screen Instructions:** The Fire TV Stick will guide you through connecting to your Wi-Fi network and registering your Amazon account.

Package Contents

Ensure all items are present in your package:

- Fire TV Stick (3rd Generation)
- Alexa Voice Remote (3rd Generation)
- USB Cable

- Power Adapter
- HDMI Extender Cable
- AAA Batteries (x2)
- Quick Start Guide

OPERATING INSTRUCTIONS

Navigate and enjoy content on your Fire TV Stick using the Alexa Voice Remote.

Using the Alexa Voice Remote

- **Voice Control:** Press and hold the **Alexa button** (microphone icon) and speak your command to search for content, launch apps, or control playback. For example, say "Alexa, play documentary season 8."
- **Navigation:** Use the **directional ring** to move through menus and content. Press the **Select button** (center of the ring) to confirm selections.

- **Home Button:** Press the **Home button** (house icon) to return to the Fire TV home screen.
- **App Buttons:** Dedicated buttons for popular streaming services (e.g., Prime Video, Netflix, U-NEXT) provide quick access.
- **TV Controls:** The remote includes buttons for **Power**, **Volume Up/Down**, and **Mute** to control compatible TVs and soundbars.

Accessing Content

The Fire TV Stick provides access to a vast library of streaming content:

- **Streaming Services:** Enjoy movies and TV shows from apps like Prime Video, YouTube, Netflix, TVer, U-NEXT, DAZN, Disney+, FOD, Apple TV+, and more.
- **Web Browsing:** Use the Silk Browser to access various websites, including social media platforms like Facebook and Twitter.

- **Music Streaming:** Stream your favorite songs from services like Amazon Music and Spotify. (Separate subscriptions may be required for some services).
- **Live Content:** Access live news, sports, variety shows, dramas, and more through Prime Video Channels, ABEMA, Hulu, DAZN, Redbull TV, etc.

Alexa Integration

Beyond content control, your Fire TV Stick can integrate with other Alexa-compatible devices:

- **Smart Home Control:** View feeds from Alexa-compatible cameras (sold separately), check the weather, or enjoy music.

MAINTENANCE

The Fire TV Stick requires minimal maintenance. Keep the device and remote clean and dry. Avoid exposing them to extreme temperatures or direct sunlight. Ensure proper ventilation around the device.

- **Cleaning:** Use a soft, dry cloth to wipe the device and remote. Do not use liquid cleaners or aerosols.
- **Software Updates:** The device automatically receives software security updates for at least four years from the last date it was sold as new on our websites. Ensure your device is connected to the internet to receive these updates.

TROUBLESHOOTING

If you encounter issues with your Fire TV Stick, try the following steps:

- **No Power/No Display:**

- Ensure the Fire TV Stick is securely plugged into the HDMI port and the power adapter is connected to a working outlet.
 - Verify your TV is set to the correct HDMI input.
 - Try a different HDMI port on your TV.
 - If using the HDMI extender, try connecting the Fire TV Stick directly to the TV.
- **Remote Not Responding:**
 - Replace the batteries in the remote.
 - Ensure there are no obstructions between the remote and the Fire TV Stick.
 - Try re-pairing the remote: Press and hold the Home button for 10 seconds.
- **Wi-Fi Connection Issues:**
 - Restart your Wi-Fi router and modem.
 - Go to **Settings > Network** on your Fire TV Stick and try reconnecting to your Wi-Fi network.
 - Ensure your Wi-Fi password is entered correctly.
- **App Crashing/Freezing:**
 - Restart the Fire TV Stick by unplugging it from the power source for a few seconds and plugging it back in.
 - Go to **Settings > Applications > Manage Installed Applications**, select the problematic app, and choose **Force Stop** or **Clear Cache**.

For further assistance, refer to the Amazon Fire TV support website.
