2. SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Weight Limit:** Do not exceed the maximum weight capacity of 264 lbs (120 kg).
- **Sharp Edges:** Handle components with care during assembly as some parts may have sharp edges.
- **Assembly:** Ensure all parts are properly assembled and all fasteners are securely tightened before use.
- **Intended Use:** Use the chair only for its recommended purposes, such as dining and relaxing. Avoid standing on the chair or using it as a step stool.
- **Stability:** Place the chair on a flat, stable surface to prevent tipping.

3. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow these general steps. Refer to the included assembly diagram for specific part identification and sequence.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all components are present against the parts list in your package.
2. **Attach Legs:** Securely attach the four metal legs to the base of the chair frame using the provided screws and tools. Ensure each leg is firmly tightened.
3. **Assemble Backrest and Seat:** Connect the backrest to the seat frame. Ensure all alignment points are correctly engaged and secure with the designated fasteners.
4. **Attach Armrests:** Fasten the armrests to the main chair body. Ensure they are aligned and tightened securely.
5. **Final Check:** Once assembled, gently shake the chair to ensure all connections are stable and secure. Retighten any loose fasteners.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your accent chair.

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the fabric.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight. Retighten as necessary.
- **Moving:** When moving the chair, lift it rather than dragging it to prevent damage to the legs and frame.

6. TROUBLESHOOTING

If you encounter any issues with your HOMCOM Fabric Accent Chair, refer to the following common solutions.

Problem	Possible Cause	Solution
Chair feels wobbly or unstable.	Loose fasteners or uneven placement.	Ensure all screws and bolts are securely tightened. Place the chair on a flat, level surface. Adjust protective foot pads if present and adjustable.
Fabric appears worn or pilling.	Normal wear and tear, friction from use.	Use a fabric shaver or lint roller to remove pills. Avoid excessive friction on the fabric.
Squeaking noises during use.	Loose connections in the frame.	Inspect all joints and connections. Tighten any loose screws. If the issue persists, disassemble and reassemble the affected section carefully.

If you experience issues not covered here, please contact customer support.
