2. SAFETY INFORMATION

- Use caution when moving the kitchen island on uneven surfaces to prevent tipping.
- Do not exceed the weight capacity of the kitchen island. Refer to the specifications section for details.
- Ensure all screws and fasteners are securely tightened during assembly and periodically check for looseness.
- Keep small parts away from children during assembly to prevent choking hazards.

3. SETUP & ASSEMBLY

The HLR Kitchen Island Cart requires assembly. Step-by-step assembly instructions are included in the product packaging. It is recommended to have two people for assembly to ensure stability and ease of construction. All necessary hardware is provided.

aid in understanding the assembly process.

Before starting assembly, ensure you have all parts listed in the instruction manual. Lay out all components on a soft, clean surface to prevent scratches.

4. FEATURES & OPERATION

4.1 Drop Leaf Countertop

The kitchen island features a collapsible drop-leaf countertop made of sturdy rubberwood. This design provides additional workspace when needed and can be easily folded down to save space.

- **To Extend:** Gently lift the drop leaf until the support arms can be pulled out and locked into place underneath.
- **To Fold Down:** Push the support arms back into their retracted position and carefully lower the drop leaf.

5. MAINTENANCE & CARE

To maintain the appearance and longevity of your HLR Kitchen Island Cart, follow these care instructions:

- **Cleaning:** Wipe with a dry cloth. For spills on the rubberwood tabletop, clean immediately with a damp cloth and mild soap, then dry thoroughly.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as they may damage the finish.
- **Regular Checks:** Periodically check all screws and fittings to ensure they remain tight. Retighten as necessary.
- **Protect Surfaces:** Use coasters or placemats to protect the tabletop from heat and moisture.

6. TROUBLESHOOTING

If you encounter any issues with your HLR Kitchen Island Cart, consider the following common solutions:

- **Wobbly Island:** Ensure all assembly screws are tightened. Check that the floor surface is even.
- **Difficulty Rolling:** Verify that the locking mechanisms on the wheels are disengaged. Clean any debris from the wheels.
- **Drop Leaf Not Staying Up:** Ensure the support arms are fully extended and locked into their designated slots.
- **Doors Not Closing Properly:** Check hinges for proper alignment and tightness. Adjust if necessary.

For persistent issues or further assistance, please contact HLR customer support.
