Weehom LOVHEART-FL-PP01

Weehom Full Size Bed Frame with Heart-shaped Headboard

Model: LOVHEART-FL-PP01

Brand: Weehom

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Do not load more than **450 pounds** onto the bed frame.
- Be cautious of sharp edges during assembly and use to prevent injury.
- Always follow assembly instructions carefully to prevent instability or collapse of the bed frame.
- Ensure all bolts and screws are securely tightened before use and periodically check for tightness.
- Keep small parts away from children during assembly.

PRODUCT OVERVIEW

The Weehom Full Size Bed Frame (Model LOVHEART-FL-PP01) is a heavy-duty metal platform bed designed for durability and convenience. It features a unique heart-shaped headboard and provides ample under-bed storage space.

Image: The Weehom Full Size Bed Frame, pink in color, featuring a heart-shaped headboard, set in a bedroom with light pink walls and white furniture.

Key Features:

- **Unique Heart-shaped Headboard:** Adds a decorative and romantic element to any room.
- **Durable and Sturdy Structure:** Constructed with a solid steel frame, reinforced with 16 metal slats and 10 supporting legs for enhanced stability.
- **No Box Spring Needed:** Closely spaced metal slats support various mattress types (latex, memory foam, spring) directly, extending mattress life.
- **Easy to Assemble:** Designed for quick and hassle-free setup with clear instructions and included tools.
- **Ample Under-Bed Storage:** Provides 11.2 inches of clearance for convenient storage solutions.

PACKAGE CONTENTS

Before beginning assembly, ensure all parts listed below are present and undamaged. If any parts are missing or

damaged, please contact customer support.

- Headboard components
- Side rails
- Footboard components
- Metal support slats
- Support legs
- Hardware pack (screws, bolts, washers, Allen wrench)
- Instruction Manual

SETUP AND ASSEMBLY

Assembly typically takes approximately 35 minutes with the included tools. For optimal ease and safety, **two adults are**

recommended for assembly.

Preparation:

- 1. Clear a spacious area for assembly, preferably on a soft surface like a carpet to prevent scratching parts.
- 2. Unpack all components and lay them out, verifying against the package contents list.
- 3. Identify each part by its label or number as indicated in the separate assembly guide.

Assembly Steps:

Refer to the detailed step-by-step assembly guide provided in your package. The general process involves:

- 1. Attach the headboard and footboard components to the side rails.
- 2. Secure the central support legs to the frame.
- 3. Install the metal slats into the designated slots on the side rails. Ensure all slats are properly seated and secured.
- 4. Tighten all bolts and screws using the provided Allen wrench. Do not overtighten.

OPERATING INSTRUCTIONS

Mattress Placement:

Once the bed frame is fully assembled and all connections are secure, carefully place your full-size mattress directly onto the metal slats. No box spring is required for this platform bed.

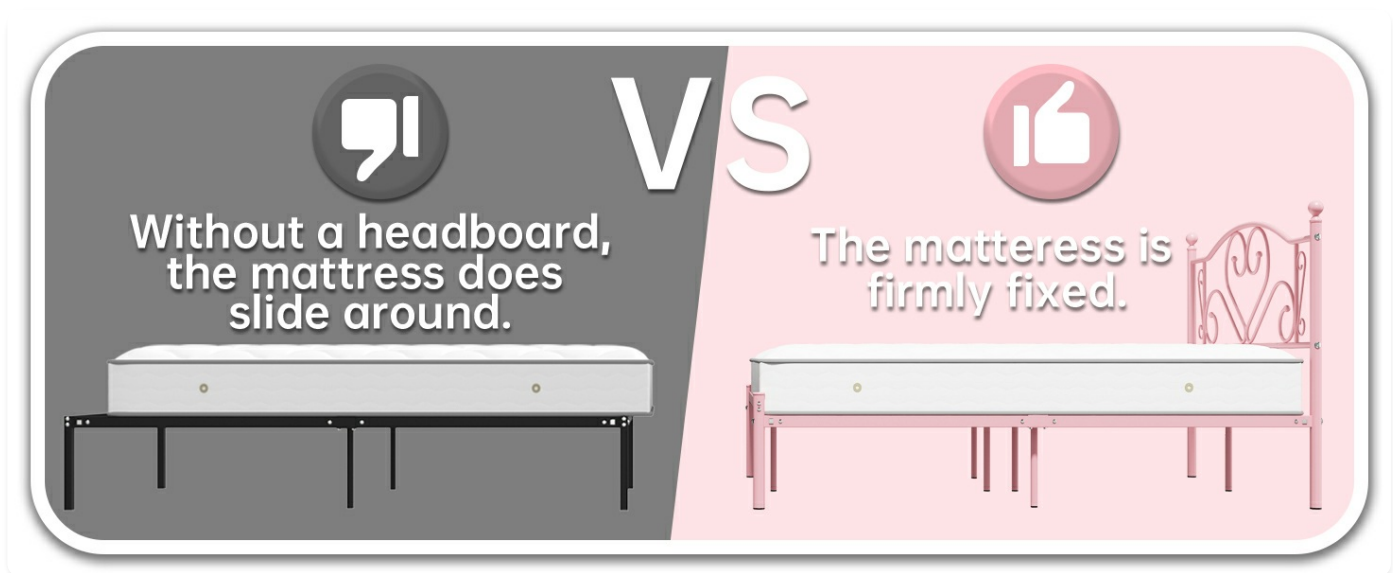

Image: A visual comparison illustrating how a mattress can slide on a bed frame without a headboard, contrasted with the Weehom bed frame where the mattress is firmly fixed due to the integrated headboard.

Under-Bed Storage:

The bed frame offers 11.2 inches of clearance underneath, providing convenient space for storage bins, boxes, or other items. Utilize this space to keep your room tidy and organized.

MAINTENANCE

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Inspection:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Weight Distribution:** Ensure weight is evenly distributed across the bed frame to prevent stress on individual slats or legs.

TROUBLESHOOTING

Common Issues and Solutions:

- **Squeaking Noises:**
 - Check all bolts and screws and tighten any that are loose.
 - Ensure all metal slats are properly seated in their designated slots.
 - Verify that the anti-friction caps on the legs are intact and properly installed.
- **Instability/Wobbling:**
 - Re-check all connections to ensure they are fully tightened.
 - Ensure the bed frame is on a level surface. Adjust leg levelers if applicable (not explicitly stated for this model, but a general tip).
- **Mattress Sliding:**
 - Ensure the mattress is centered on the frame.
 - The integrated headboard is designed to help prevent mattress movement. If sliding persists, consider a non-slip mattress pad.

SPECIFICATIONS

Feature	Detail
Model Number	LOVHEART-FL-PP01
Size	Full
Product Dimensions (L x W x H)	77.55" x 55.91" x 41.73"
Color	Pink
Material	Metal (Powder Coated Finish)
Weight Capacity	400 lbs
