MJDDJA M1016

MJDDJA Mini Building Blocks Panda A-6 Instruction Manual

Model: M1016

1. Introduction

Thank you for choosing the MJDDJA Mini Building Blocks Panda A-6. This instruction manual provides essential information for assembling, operating, and maintaining your new building block set. Please read this manual carefully before beginning assembly to ensure a smooth and enjoyable experience.
This set allows you to construct a charming panda figure using micro-sized building blocks, promoting concentration, hand-eye coordination, and critical thinking skills.

2. Safety Information

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years due to choking hazards. The manufacturer recommends this product for ages 3 and up, however, due to the micro-sized blocks, it is generally recommended for individuals aged 6 years and older, and specifically for 11-14+ years for optimal building experience.
- **Material Safety:** The building blocks are made from durable ABS material and meet US safety standards.
- **Handling:** Ensure all blocks are handled carefully to prevent loss. Keep blocks away from pets.
- **Supervision:** Adult supervision is recommended for younger builders.

3. Package Contents

Verify that all components are present before starting assembly.

- Approximately 606 pieces of MJDDJA Mini Building Blocks (Panda A-6)
- 1 Instruction Manual (this document)

4. Assembly Instructions

Follow the step-by-step visual guide provided within the packaging to construct your panda figure. The instructions are primarily picture-based for clarity.

1. **Preparation:** Unpack all building blocks and organize them by color or shape if desired.
2. **Follow the Guide:** Refer to the included pictorial instruction booklet for detailed assembly steps. Each step illustrates which blocks to use and where to place them.
3. **Layer by Layer:** Building typically progresses layer by layer from the base upwards. Pay close attention to the orientation of each block.
4. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable structure.
5. **Completion:** Once all steps are followed, your MJDDJA Mini Building Blocks Panda A-6 will be complete.

5. Operating Instructions (Display and Interaction)

Once assembled, your MJDDJA Mini Building Blocks Panda A-6 is ready for display or gentle interaction.

- **Display:** Place the assembled panda on a flat, stable surface such as a desk, shelf, or display cabinet. Its compact size makes it suitable for various locations.
- **Interaction:** The panda is designed for display. While durable, avoid dropping or applying excessive force to prevent blocks from detaching.
- **Educational Play:** The act of building itself is the primary educational interaction, fostering STEM skills.

6. Maintenance

Proper care will help maintain the appearance and integrity of your building block panda.

- **Cleaning:** To clean, gently wipe the assembled panda with a soft, dry cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all blocks in a secure container to prevent loss.
- **Avoid Extreme Conditions:** Do not expose the product to extreme temperatures or direct prolonged sunlight, as this may affect the plastic material.

7. Troubleshooting

Here are solutions to common issues you might encounter during or after assembly.

- **Missing Pieces:** If you find any missing pieces, please refer to the customer support information in Section 9.

- **Blocks Not Fitting:** Ensure blocks are correctly oriented and aligned before pressing them together. Micro blocks require precise placement.
- **Structure Instability:** Double-check previous steps to ensure all blocks are securely connected. Sometimes a loose connection can affect overall stability.
- **Difficulty with Small Blocks:** Due to their micro size, some builders may find the blocks challenging. Patience and fine motor skills are key. Consider using tweezers for very small or hard-to-reach placements if necessary.

8. Specifications

Feature	Detail
Brand	MJDDJA
Model Number	M1016 (Panda A-6)
ASIN	B0C7QVBD4C
Product Dimensions (Assembled)	3 x 2.8 x 3 inches (approximate)
Item Weight	5 ounces
Material	Durable ABS Plastic
Number of Pieces	606
Recommended Age	Manufacturer: 3 years and up; Recommended for building complexity: 6+ years, specifically 11-14+ years.
