---

## 1. INTRODUCTION

---

Thank you for choosing the BEAUTME Vanity Mirror with Lights. This Hollywood-style makeup mirror is designed to enhance your daily beauty routine with its adjustable lighting, smart touch controls, and versatile installation options. Please read this manual carefully before use to ensure proper setup, operation, and maintenance.

## 2. SAFETY INFORMATION

---

- Handle the mirror with care to prevent breakage.
- Ensure the power adapter is connected to a suitable power outlet.
- Do not expose the mirror to excessive moisture or direct water spray.
- Keep out of reach of children.
- Unplug the mirror from the power source before cleaning or performing any maintenance.
- Do not attempt to disassemble or repair the mirror yourself. Contact customer support for assistance.

## 3. PACKAGE CONTENTS

---

Verify that all items are present in the package:

- BEAUTME Vanity Mirror with 12 LED Bulbs
- Detachable Base (for tabletop use)
- Power Adapter (1.5M/5FT Cable)

### 4.2 Wall Mount Installation

1. If the base is attached, remove it by unscrewing the fasteners.
2. Identify the pre-installed wall mounting brackets on the back of the mirror.
3. Measure the distance between the mounting points on the mirror.
4. Mark the desired location on your wall, ensuring the marks are level and match the mirror's mounting points.
5. Install the appropriate wall anchors and screws (provided) into the marked locations.

6. Carefully hang the mirror onto the installed screws.

## 6. MAINTENANCE

---

### 6.1 Cleaning the Mirror

To clean the mirror surface, unplug the unit and use a soft, lint-free cloth with a non-abrasive glass cleaner. Do not spray cleaner directly onto the mirror or bulbs; apply it to the cloth first.

### 6.2 Bulb Replacement

The LED bulbs are designed for long-lasting use. In the event a bulb needs replacement, contact BEAUTME customer support for compatible replacement bulbs and instructions.

## 7. TROUBLESHOOTING

---

- **Lights not turning on:** Ensure the power adapter is securely plugged into both the mirror and the wall outlet. Check if the outlet is functional.
- **Touch controls unresponsive:** Ensure your fingers are clean and dry. Try unplugging the mirror for a few minutes and then plugging it back in to reset the system.
- **Lights flickering:** Check the power connection. If the issue persists, contact customer support.
