## IMPORTANT SAFETY INFORMATION

---

To prevent injury or damage to the product, always adhere to the following safety guidelines:

- Always follow the assembly instructions carefully to avoid injury.
- Keep the charging station dry and free from debris to prevent electrical hazards.
- Use the drawers with caution to avoid pinching fingers.
- Clean the product with a dry cloth only to prevent damage or accidents.
- Do not exceed the maximum weight recommendation of 100 pounds on the tabletop.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly:

- Night Stand Components (Engineered Wood Panels)
- Assembly Guide
- Installation Tool (Hex Key/Screwdriver)
- Hardware Pack (Screws, dowels, cam locks, etc.)
- Charging Station Unit (pre-installed or separate)
- LED Light Strip
- LED Remote Control

## SETUP AND ASSEMBLY

---

Assembly of the LIKIMIO Night Stand requires careful attention to the included Assembly Guide. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the parts list in the Assembly Guide.
2. **Identify Hardware:** Separate and identify all screws, dowels, and other hardware using the guide.
3. **Assemble Frame:** Follow the step-by-step instructions in the Assembly Guide to construct the main frame of the nightstand. Ensure all connections are secure.
4. **Install Drawers:** Assemble the drawer boxes and install the drawer slides onto both the drawers and the nightstand frame. Insert the drawers into the frame, ensuring smooth operation.
5. **Integrate Charging Station:** If not pre-installed, follow the guide to secure the charging station into its designated slot on the tabletop.
6. **Attach LED Light:** Adhere the LED light strip to the designated area, typically under the floating top section. Connect it to the power source as instructed.
7. **Final Placement:** Once assembled, carefully move the nightstand to its desired location.

## OPERATING INSTRUCTIONS

---

### Charging Station

The integrated charging station provides convenient power access for your electronic devices.

- **Power Connection:** Plug the nightstand's main power cord into a standard 125V/12A wall outlet.
- **AC Outlets:** Use the two 125V/12A AC outlets for devices requiring standard wall power.
- **USB Ports:** Utilize the one 5V/2A USB-A and one 5V/2A USB-C port for charging smartphones, tablets, and other compatible devices.
- **Safety Note:** Ensure devices are compatible with the provided voltage and amperage. Do not overload the charging station.

Image: Detailed view of the nightstand's charging station, showing two AC outlets, one USB-A port, and one USB-C port.

## LED Light System

The LED light system offers customizable illumination for your bedroom ambiance.

- **Remote Control:** Use the included 24-key IR remote control to power the LED lights on/off, change colors, adjust brightness, and select various lighting modes. Point the remote directly at the LED receiver for optimal response.
- **Smartphone App Control:** Download the compatible smartphone application (refer to the Assembly Guide for app name and QR code) to access advanced features such as:
  - Over 60,000 color options
  - Custom style creation
  - Mic mode (lights react to sound)
  - Timing function (schedule on/off)
  - Music mode (lights sync with music)

## Drawers

The nightstand features two spacious drawers designed for smooth and quiet operation.

- **Opening/Closing:** Gently pull or push the drawers to open and close. The smooth glide design ensures easy access.
- **Soft Close:** The drawers are equipped with soft-close technology to prevent slamming and reduce noise.
- **Storage:** Utilize the drawers for storing nighttime essentials, books, or personal items.

Image: The nightstand with both drawers partially open, revealing interior storage space and items like headphones and books.

## MAINTENANCE

---

Proper care will extend the life and appearance of your nightstand.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid abrasive cleaners, harsh chemicals, or wet cloths, as these can damage the finish or electrical components.
- **Dusting:** Regularly dust the nightstand to prevent buildup.
- **Spills:** In case of spills, immediately wipe with a dry cloth. For liquid spills near the charging station, unplug the unit first.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If they become stiff, a small amount of silicone lubricant can be applied (avoiding contact with wood surfaces).

## TROUBLESHOOTING

Refer to this section for solutions to common issues.

Problem	Possible Cause	Solution
Charging station not working.	Not plugged in; power outage; device incompatibility; faulty outlet.	Ensure the nightstand's power cord is securely plugged into a functional wall outlet. Test the outlet with another device. Verify your device's charging requirements.
LED lights not turning on or responding to remote.	LED strip not connected; remote battery dead; remote sensor obstructed; app not connected.	Check LED strip connection to the power source. Replace remote battery. Ensure no obstructions between remote and sensor. Repair the app if using.
Drawers are stiff or do not close smoothly.	Improper assembly; obstruction in slides; damaged slides.	Review assembly instructions for correct drawer slide installation. Check for any objects obstructing the slides. Apply silicone lubricant to slides if needed. If damage is suspected, contact support.
Wobbly or unstable nightstand.	Loose connections; uneven floor.	Tighten all screws and fasteners. Ensure the nightstand is on a level surface; use furniture pads if necessary to stabilize.

## SPECIFICATIONS

Feature	Detail
Brand	LIKIMIO
Model Number	HK-NT-06
Product Dimensions (D x W x H)	13.78"D x 18.9"W x 23.62"H (35cm x 48cm x 60cm)
Item Weight	35 Pounds (15.88 kg)
Maximum Weight Recommendation	100 Pounds (45.36 kg)
Color	White
Material Type	Engineered Wood
Charging Station Output	2x AC Outlets (125V/12A), 1x USB-A (5V/2A), 1x USB-C (5V/2A)
Power Cord Length	59 inches
LED Light Control	Remote Control & Smartphone App
Number of Drawers	2
Product Care Instructions	Wipe with Dry Cloth
