ZINUS AJ-FSPB-BE-SD

ZINUS Lottie Fabric Bed Frame Instruction Manual

Model: AJ-FSPB-BE-SD | Brand: ZINUS

1. INTRODUCTION

Thank you for purchasing the ZINUS Lottie Fabric Bed Frame. This bed frame combines a sturdy metal frame with a modern upholstered design, featuring a square-patterned headboard. It is designed for easy assembly and comfortable use.

Key features include a classic stitched headboard, wooden slats for optimal ventilation, and sound-dampening tape for a quiet sleeping environment. The compact packaging ensures convenient delivery.

2. SAFETY INFORMATION

- To ensure longevity and proper support, always use a mattress at least 15 cm (6 inches) thick.
- Avoid jumping on the bed frame or concentrating weight on a single point, as this may cause damage to the frame or slats.
- Assembly requires two or more adults.
- During assembly, ensure sufficient space and protect the floor with a mat or blanket to prevent scratches.
- This product is intended for household furniture use. Do not use for purposes other than its original intent to prevent accidents or injuries.

3. PACKAGE CONTENTS

Your ZINUS bed frame is delivered in one compact box. All necessary parts and tools are conveniently stored within the zippered compartment of the headboard.

The ZINUS Lottie bed frame components neatly packed inside the headboard for compact delivery.

Included Components:

- Headboard (with integrated storage)
- Side Rails
- Footboard
- Wooden Slats
- Support Legs
- Assembly Tools (including a ratchet wrench)
- Instruction Manual

Contents of the ZINUS bed frame package laid out, including frame parts, slats, and tools.

4. SETUP AND ASSEMBLY

Estimated assembly time: 30-50 minutes (recommended for 2 or more adults).

Some screw parts may be pre-attached to the main body for convenience. Please confirm this before beginning assembly.

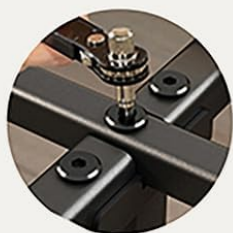

Assembly Steps:

1. Unpack all components from the headboard's zippered storage compartment.
2. Identify all parts and hardware. The numbering system on the parts helps guide assembly.
3. Connect the side rails to the headboard and footboard using the provided bolts and the ratchet wrench.
4. Attach the support legs to the frame.
5. Place the wooden slats onto the frame.
6. Secure the wooden slats using the hook-and-loop fasteners to prevent movement.

5. OPERATING INSTRUCTIONS

- Place your mattress directly onto the wooden slats. A box spring is not required.
- The wooden slats are designed to provide excellent ventilation for your mattress, promoting airflow and extending mattress life.
- The integrated sound-dampening tape and non-slip tape help keep your mattress in place and ensure a quiet, stable sleeping experience.

The 16 cm under-bed clearance provides convenient storage space.

6. MAINTENANCE

- Clean the fabric upholstery with a dry cloth. Do not use liquid cleaners or abrasive materials.
- Periodically check all bolts and connections to ensure they remain tight. Tighten as necessary to maintain stability.

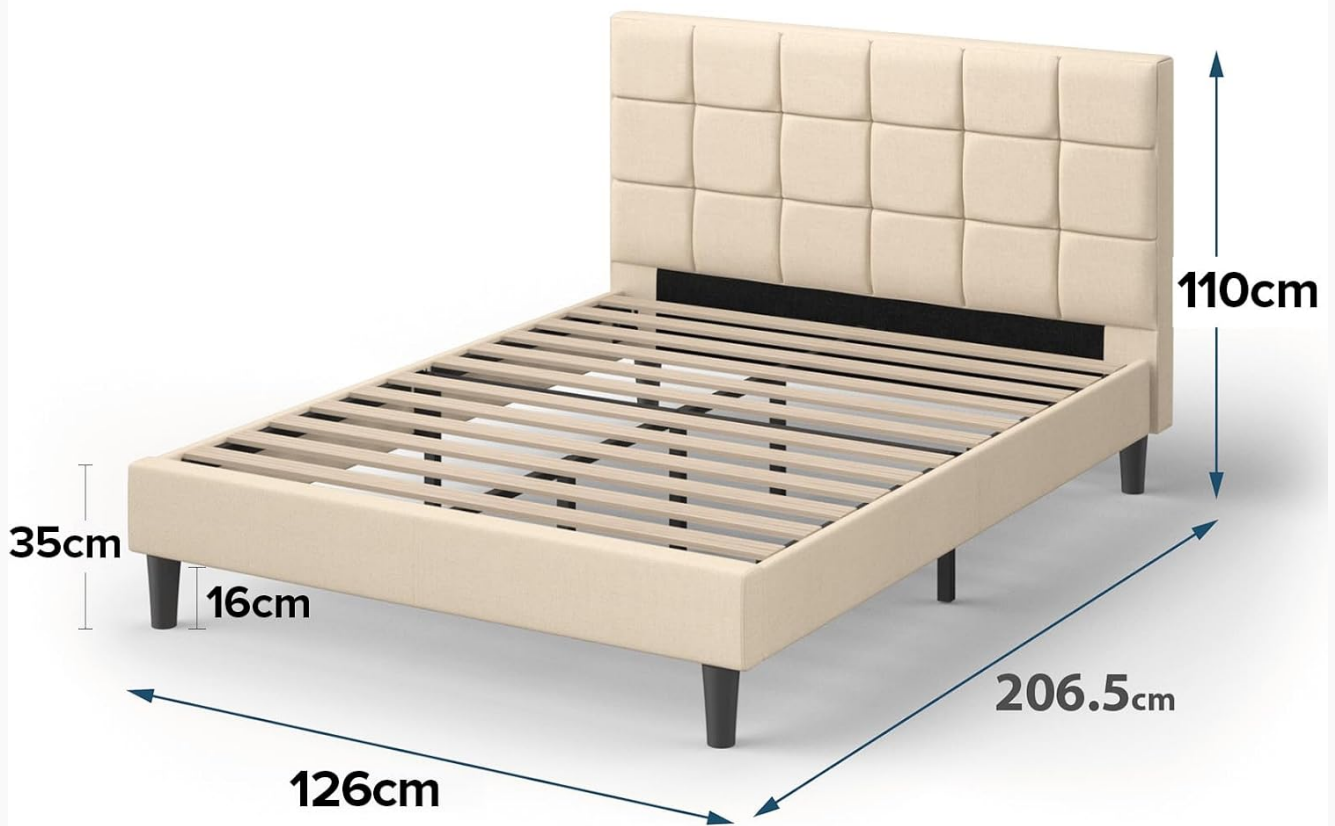

7. TROUBLESHOOTING

- **Noise or Squeaking:** If the bed frame makes noise, check all connections and tighten any loose bolts. Ensure the sound-dampening tape is properly applied between the frame and slats.
- **Instability:** If the bed frame feels unstable, verify all support legs are securely attached and evenly placed on the floor. Confirm that the mattress used is at least 15 cm thick.
