## Hisense 32A4K

# Hisense 32-Inch Class A4 Series Google Smart TV User Manual

Model: 32A4K | Brand: Hisense

## INTRODUCTION

Experience your favorite entertainment with the Hisense A4 Series Google TV. This manual provides essential information for setting up, operating, and maintaining your new television, ensuring you get the most out of its features like Google TV, DTS Virtual:X audio, and various smart functionalities. The voice remote provides easy access to the built-in Google Assistant, allowing you to explore a vast library of content.

## WHAT'S IN THE BOX

Verify that all components are present in the packaging:

- TV (Hisense 32A4K)
- Power Cable
- Remote Control
- Stand (2 pieces)

Image: Diagram showing the dimensions of the 32-inch TV and the included remote control.

## SETUP

### Physical Setup

Your Hisense TV can be placed on a stand or mounted on a wall. Ensure the TV is placed on a stable, level surface if using the stand. For wall mounting, use a compatible VESA mount (not included) and follow the instructions provided with the mount. Refer to the official Installation Manual (PDF) for detailed assembly steps.

The TV features a sleek design with a thin border, making it lightweight and easy to handle during setup.

### **Initial Power On & Connectivity**

1. Connect the power cable to the TV and a power outlet.
2. Press the power button on the remote control or TV.
3. Follow the on-screen prompts to select your preferred language.
4. Connect to your home network via Wi-Fi or Ethernet for smart features.
5. Sign in with your Google account to access Google TV features and personalize your experience.

## OPERATING YOUR TV

### Voice Remote Control

The included voice remote allows for easy navigation and control. Press the Google Assistant button on your remote to use voice commands for opening apps, adjusting volume, searching for content, and more.

### App Navigation & Streaming

Google TV seamlessly integrates movies, shows, live TV, and subscriptions in one place. Browse over 700,000 movies and TV episodes, organized by genres and topics. Access popular streaming services directly from the home screen.

### Chromecast Built-in

With Chromecast built-in, you can effortlessly cast your favorite movies, shows, apps, games, and more from your phone, tablet, or laptop directly to your TV.

## Bluetooth Connectivity

Wirelessly connect compatible soundbars, headphones, or stereo components to your TV via Bluetooth for an enhanced audio experience.

## Picture & Sound Settings

The A4 Series features FHD 1080p resolution with a powerful full array LED backlight for a sharper, more colorful picture. DTS Virtual:X technology enhances audio by virtualizing height content over traditional stereos, creating immersive sound.

- **FHD Resolution:** Enjoy crisp and clear details in your movies, TV shows, and games.
- **Natural Colour Enhancer:** Optimizes color reproduction in real-time, picking up even the smallest differences for faithful color.
- **High Contrast:** Highlights look brighter, blacks are deeper, and colors are more vibrant.
- **Noise Reduction:** Detects, isolates, and reduces grainy video noise for a clean view.
- **Depth Enhancer:** Analyzes and adjusts brightness and contrast of specific regions to create pictures with perceived depth.

Special Features	Flat
Output Wattage	50 Watts
Batteries	2 AAA batteries required (included)

## TROUBLESHOOTING

If you encounter issues with your Hisense A4 Series TV, first check all power connections and ensure your network status is active. For common problems such as no picture, no sound, or remote control unresponsiveness, consult the detailed troubleshooting section in the full user guide. Ensure your TV's software is up to date via the settings menu.

## MAINTENANCE

To ensure the longevity and optimal performance of your Hisense A4 Series TV, follow these maintenance tips:

- **Cleaning the Screen:** Gently wipe the screen with a soft, dry microfiber cloth. Avoid using harsh chemicals, abrasive cleaners, or paper towels, as these can damage the screen.
- **Cleaning the Body:** Use a soft, damp cloth to clean the TV's exterior. Do not spray water or cleaning solutions directly onto the TV.
- **Ventilation:** Ensure that the ventilation openings on the back of the TV are not blocked. Proper airflow prevents overheating and extends the life of the TV.
- **Power Off:** When not in use for extended periods, it is recommended to unplug the TV from the power outlet.

## WARRANTY & SUPPORT

For detailed warranty information, technical support, and additional resources, please refer to the official Hisense website or download the full Installation Manual (PDF) directly from the link below:
