1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- Use anti-slip foot pads to prevent slipping.
- Exercise caution around sharp metal edges during assembly and use.
- Follow all assembly instructions carefully to avoid injury and ensure structural integrity.
- Measure your available space before ordering to ensure proper installation and fit.
- Do not exceed the recommended weight capacity of the bed frame.
- Regularly check all bolts and screws to ensure they remain tight.

2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Headboard and Footboard sections
- Side Rails
- Canopy Posts (4)
- Canopy Top Rails
- Metal Slats (16 reinforced)
- Supporting Legs (6)
- Assembly Hardware (bolts, nuts, washers, Allen wrench)
- Anti-slip Foot Pads
- Instruction Manual

3. ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately 45 minutes with the provided tools and clear instructions. It is recommended to have two people for easier assembly.

3.1 Step-by-Step Guide

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them against the package contents list to ensure everything is present and undamaged. Each part is clearly labeled.
2. **Assemble Headboard and Footboard:** Attach the decorative headboard and footboard sections to their respective vertical posts using the provided hardware. Do not fully tighten bolts at this stage.
3. **Attach Side Rails:** Connect the side rails to the headboard and footboard assemblies. Ensure the connections are secure. Again, do not fully tighten all bolts yet.
4. **Install Supporting Legs:** Secure the 6 supporting legs to the underside of the bed frame.
5. **Insert Metal Slats:** Place the 16 reinforced metal slats into the designated slots on the side rails. Ensure they are evenly spaced and securely seated.
6. **Attach Canopy Posts:** Secure the four canopy posts to the corners of the bed frame.
7. **Install Canopy Top Rails:** Connect the canopy top rails to the upper ends of the canopy posts to form the canopy structure.
8. **Final Tightening:** Once all parts are assembled, go back and tighten all bolts and screws securely. *Tip: If you encounter difficulty aligning parts, slightly loosen adjacent screws, fit the part, then tighten all screws.*
9. **Apply Anti-slip Foot Pads:** Attach the anti-slip foot pads to the bottom of each supporting leg to protect your floor.

Figure 3.2: Detail showing how the metal slats connect to the side rails for secure mattress support.

Figure 3.3: Anti-slip foot pads provide floor protection and stability.

4. PRODUCT FEATURES

- **Sturdy Metal Construction:** The bed frame is constructed with 16 reinforced metal slats and 6 supporting legs, providing strong support and durability.
- **No Box Spring Required:** The robust platform design eliminates the need for a box spring, allowing your mattress to last longer.
- **Elegant Design:** Features clean metal lines with an elegant headboard and footboard. The four-poster canopy design allows for customization with decorative curtains and lights.
- **Ample Under-bed Storage:** Offers 11.2 inches of clearance beneath the bed, providing significant space for storage.
- **Squeak Resistant:** Engineered to minimize noise for a quiet sleeping environment.
- **Floor Protection:** Equipped with anti-slip foot pads to prevent scratches and damage to flooring.

Two Using Methods

Normal Metal Bed Frame & Canopy Bed Frame.

Figure 4.3: The bed frame can be used as a normal metal bed frame or with canopy fabric for a decorative look.

5. USAGE

- **Mattress Placement:** Place your twin-sized mattress directly onto the metal slats. No box spring is needed.
- **Canopy Customization:** The four-poster design allows for hanging decorative curtains, sheer fabrics, or string lights to personalize the bed's appearance. (Note: Canopy fabrics and lights are typically sold separately).
- **Under-bed Storage:** Utilize the 11.2-inch clearance for storing items in bins, boxes, or directly on the floor beneath the bed.

Figure 5.1: The bed frame with a mattress and decorative canopy, showcasing its intended use.

6. MAINTENANCE

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Regular Inspection:** Periodically check all bolts, screws, and connections to ensure they are tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Foot Pads:** Ensure the anti-slip foot pads are intact and in place to protect your flooring.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Bed frame is squeaking.	Loose bolts or connections.	Check and tighten all bolts and screws on the frame. Ensure all slats are properly seated.
Parts do not align during assembly.	Bolts tightened too early in the process.	Slightly loosen adjacent screws to allow for adjustment, then fit the part and tighten all screws securely.
Mattress slides on the frame.	Lack of proper mattress grip.	Ensure the mattress is correctly centered. Consider using a non-slip mattress pad if sliding persists.

8. SPECIFICATIONS

Attribute	Detail
Brand	Weehom
Model Name	Princess Canopy Bed Frame Twin
ASIN	B0F18S9SC9
Size	Twin
Product Dimensions (L x W x H)	77.95" x 36.22" x 77.56"
Material	Metal
Finish Type	Powder Coated
Color	Beige White
Item Weight	47.4 pounds
Special Feature	Squeak Resistant
Form Factor	Four-Poster
Assembly Required	Yes
Under-bed Clearance	11.2 inches
