RIO BEACH Roma 8 ft. x 8 ft. Gazebo User Manual

Model: 500-9161236

INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your RIO BEACH Roma 8 ft. x 8 ft. Gazebo. The Roma sun shelter is designed to offer protection from the sun with its durable polyester roof. It features a lightweight, powder-coated aluminum frame for stability and ease of setup. The gazebo includes stylish modern frame elements, a polyester fabric top, and both polyester curtains and nylon mosquito net curtains to ensure proper ventilation and protection.

Important Safety Information:

- Always follow the illustrated instructions for assembly and disassembly carefully.
- Secure the gazebo to a stable foundation to prevent it from tipping over, especially in windy conditions.
- Keep children and pets away from the gazebo during assembly and disassembly to prevent injury.

MAINTENANCE

Regular maintenance will extend the life and appearance of your gazebo.

- **Frame:** The aluminum frame is rustproof and features AkzoNobel's Interpon powder coating for maximum scratch and corrosion resistance. Clean the frame periodically with a mild soap solution and a soft cloth. Rinse thoroughly with water and dry.
- **Fabric Cover and Curtains:** The durable polyester cover is wrinkle and water resistant. Clean fabric components with a mild soap and water solution. Avoid harsh chemicals or abrasive cleaners. Ensure fabrics are completely dry before storing to prevent mildew.
- **Winter Storage:** In regions with heavy snow or strong winds, it is recommended to remove the fabric cover and curtains for winter storage to prevent damage.

TROUBLESHOOTING

Should you encounter any issues with your Roma Gazebo, please refer to the following common solutions:

- **Instability:** Ensure all frame connections are securely fastened. Verify that the gazebo is properly anchored to a stable, level surface.
- **Water Accumulation on Roof:** Check that the fabric cover is correctly installed and tensioned to allow for proper water runoff. Clear any debris that may be obstructing drainage.
- **Curtains Not Moving Smoothly:** Inspect the curtain tracks for any obstructions or damage. Clean the tracks and ensure curtains are properly aligned.

If problems persist, please contact customer support for further assistance.
