The Flash 4K UHD Blu-ray User Guide

Brand: Warner Home Video | **Model:** 0883929773787

1. Product Overview

This guide provides essential information for enjoying "The Flash" on 4K Ultra HD Blu-ray. The film features Barry Allen using his superpowers to travel back in time, inadvertently altering the future. This leads to a reality where General Zod has returned, threatening annihilation, and Barry must seek help from a different Batman and an imprisoned Kryptonian to save the world and return to his own timeline.

Product Dimensions	7.48 x 5.51 x 0.79 inches; 2.88 ounces
Digital Copy Expiration	September 30, 2024

5. Usage Instructions

5.1 Playing the 4K Ultra HD Blu-ray Disc

To experience "The Flash" in 4K Ultra HD with HDR, ensure you have the following equipment:

- A 4K Ultra HD TV with HDR capability.
- An Ultra HD Blu-ray Player.
- A High-Speed HDMI (Category 2) Cable.

Insert the 4K Ultra HD Blu-ray disc into your compatible player. The movie should begin playback automatically. Follow your player's on-screen menu for language selection, subtitle options, and special features access.

5.2 Digital Movie Code Redemption

Your purchase includes a digital movie code for streaming or downloading the film. The digital copy is accessible via Movies Anywhere.

- Locate the digital code insert within your Blu-ray packaging.
- Visit the redemption website specified on the insert (e.g.,Movies Anywhere).
- Follow the on-screen instructions to enter your code and link it to your Movies Anywhere account.
- Please note the digital copy expiration date:**September 30, 2024**. Ensure redemption before this date.

6. Disc Maintenance and Care

Proper care of your 4K Ultra HD Blu-ray disc will ensure its longevity and optimal playback performance.

- Always handle the disc by its edges to avoid fingerprints and scratches on the playing surface.
- Store the disc in its original case when not in use, away from direct sunlight and extreme temperatures.
- To clean the disc, gently wipe it with a soft, lint-free cloth from the center outwards. Do not use abrasive cleaners or solvents.
- Avoid bending or flexing the disc, as this can cause irreparable damage.

7. Troubleshooting

If you encounter issues during playback, consider the following common solutions:

- **Disc Not Playing:** Ensure the disc is clean and free of smudges or scratches. Verify that it is inserted correctly into the player.
- **No Picture/Sound:** Check all HDMI cable connections between your player, TV, and audio receiver. Confirm your TV input is set to the correct HDMI port.
- **Poor Picture Quality:** Ensure your equipment (TV, player, HDMI cable) is 4K UHD and HDR compatible. Check your player's settings to confirm 4K output is enabled.
- **Digital Copy Issues:** Double-check the digital code for correct entry. Ensure the expiration date has not passed. Contact Movies Anywhere support for redemption problems.
- **Player Firmware:** Ensure your Ultra HD Blu-ray player's firmware is up to date. Consult your player's manual or manufacturer's website for instructions on updating firmware.

8. Warranty and Support

For specific warranty information regarding your 4K Ultra HD Blu-ray disc, please refer to the packaging or contact Warner Home Video customer support. General product support and FAQs may also be available on the Warner Home Video official website.
