What's in the Box

- Annaror 13-inch Smart LED Ceiling Light
- Mounting Hardware
- Remote Control
- Instruction Manual

Setup and Installation

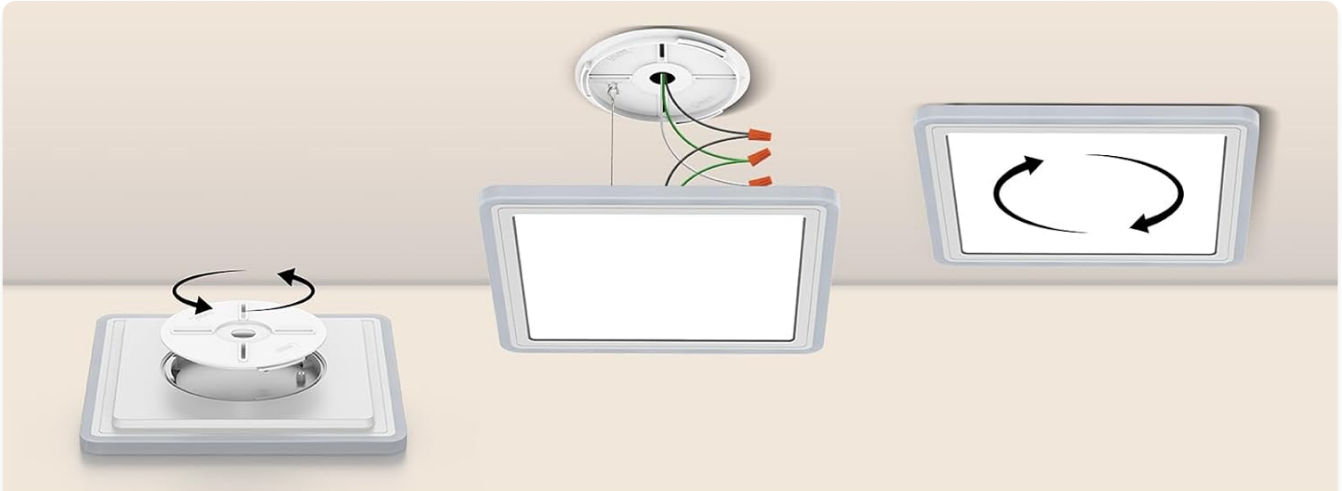

The Annaror Smart LED Ceiling Light is designed for easy installation. Please follow these steps carefully. Ensure power is turned off at the circuit breaker before beginning installation.

1. **Prepare the Light:** Rotate and remove the base from the main light fixture.
2. **Fix the Mounting Bracket:** Secure the mounting bracket to the ceiling junction box using the provided mounting

hardware.

3. **Connect Wires:** Connect the electrical wires from the ceiling to the corresponding wires on the light fixture. Ensure all connections are secure.
4. **Attach the Lamp:** Align the main light fixture with the mounted base and fix it by rotating until it locks securely into place.

Note: This is a hardwired ceiling light and is not battery powered.

Easy to Install

Operating Instructions

The Annaror Smart LED Ceiling Light offers multiple control methods for your convenience.

1. Smart APP Control

Control the light's switch, brightness, and color remotely using the Tuya APP. Download the Tuya APP from your smartphone's app store and follow the in-app instructions to pair your device. This allows for comprehensive control from anywhere.

Image: A mobile phone displaying the Tuya app interface, showing color and brightness controls for the Annaror Smart LED Ceiling Light. The light is visible in the background, illustrating remote control capabilities.

2. Remote Control Function

Use the included remote control to adjust brightness, color temperature, and RGB colors. The remote provides quick access to various lighting modes and settings without needing your smartphone.

Set a Schedule / Timer

Image: This image shows the Annaror Smart LED Ceiling Light's adjustable color temperature, ranging from warm 3000K to cool 6500K, and its dimmable brightness from 10% to 100%. A remote control and smart home devices (Google Home, Alexa) are also pictured, indicating multiple control options.

3. Voice Control

The light is compatible with Amazon Alexa and Google Home. Once paired with your smart home system, you can use voice commands to control the light, such as turning it on/off, adjusting brightness, or changing colors.

Image: This image demonstrates the voice control feature of the Annaror Smart LED Ceiling Light, compatible with Amazon Alexa and Google Home. A person is shown giving a voice command to an Alexa device, which then controls the ceiling light.

4. Timer Function

Utilize the timer function through the Tuya APP to schedule the light to turn on or off at specific times. This feature can automate your lighting, providing convenience and energy savings.

Image: This image highlights the timer function of the Annaror Smart LED Ceiling Light, allowing users to schedule automatic turn-on and turn-off times via a mobile application. The light is shown illuminating a modern house exterior with different colors at scheduled times.

Features

- **RGB Colorful Lighting Effects:** The ceiling light supports 16 million RGB colorful lighting effects, allowing you to create a diverse atmosphere for any room based on different scenes or moods.
 - **Adjustable Color Temperature:** Easily adjust the color temperature from 3000K (warm white) to 6500K (daylight white) to suit your preference or activity.
 - **Brightness Dimming:** The light offers 1% to 100% brightness dimming, providing precise control over illumination levels.
 - **High Brightness and Energy-Saving:** Equipped with a high-brightness LED light source, it provides uniform illumination with low energy consumption, contributing to energy savings.
 - **Ultra-Thin Design:** Featuring an ultra-thin square side-emitting design, the light has a simple and stylish appearance that integrates seamlessly into various decoration styles without occupying excessive space.
 - **No Flicker & Eye Protection:** Designed to provide stable, flicker-free lighting, ensuring comfort and protection for your eyes.
-

Voltage	110 Volts
Light Color	RGB/Daylight White/Neutral White/Warm White
Shape	Square
Item Weight	1.21 Kilograms (2.66 pounds)
Wattage	24 watts
Brightness	2400 Lumen
Color Rendering Index (CRI)	90.00

Maintenance

To ensure the longevity and optimal performance of your Annaror Smart LED Ceiling Light, follow these simple maintenance guidelines:

- **Cleaning:** Ensure the light is turned off and cool before cleaning. Use a soft, dry cloth to wipe the surface. Avoid abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish or electrical components.
- **Inspection:** Periodically check for any loose connections or signs of wear. If any issues are found, consult a qualified electrician.
- **LED Lifespan:** The integrated LED light source is designed for long-term use and does not require bulb replacement.

Troubleshooting

If you encounter any issues with your Annaror Smart LED Ceiling Light, please refer to the following common troubleshooting steps:

- **Light Not Turning On:**
 - Check the power supply at the circuit breaker.
 - Ensure all electrical connections are secure.
 - Verify the remote control batteries are functional and correctly inserted.
- **Remote Control Not Responding:**
 - Replace the remote control batteries.
 - Ensure there are no obstructions between the remote and the light.
 - Re-pair the remote control with the light if necessary (refer to the pairing instructions in the full manual).

- **APP/Voice Control Issues:**

- Ensure your Wi-Fi network is stable and the light is within range.
- Verify the light is correctly paired with the Tuya APP and your smart home assistant (Alexa/Google Home).
- Check for any app updates or firmware updates for the light.

- **Inconsistent Color/Brightness:**

- Reset the light by turning off the power for 10 seconds and then turning it back on.
- Ensure no other devices are interfering with the signal.

If these steps do not resolve the issue, please contact Annaror customer support for further assistance.

Warranty and Support

Annaror products are manufactured to high-quality standards and are backed by a limited warranty. Please refer to the warranty card included with your product for specific terms and conditions. For technical support, replacement parts, or any inquiries, please visit the official Annaror website or contact our customer service team through the contact information provided in your product packaging.

We are committed to providing our customers with professional LED ceiling light solutions and prioritize customer experience.
