PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Desktop Panels (Left, Right, Corner)

- Side Panels and Support Beams
- Drawer Unit Components (Drawer fronts, sides, bottoms, glides)
- Hardware Pack (Screws, dowels, cam locks, handles)
- Cable Management Grommets
- Assembly Tools (Hex key, etc.)

ASSEMBLY INSTRUCTIONS

Before You Begin

- Clear a spacious area for assembly.
- Review all instructions and identify all parts.
- Two people are recommended for assembly.
- Use a soft cloth or cardboard to protect surfaces during assembly.

Step-by-Step Assembly

Step 1: Assemble the Main Desktop Panels

Connect the left, right, and corner desktop panels using the provided hardware. Ensure all connections are secure and flush.

Figure 3: Assembling desktop panels

Step 2: Attach Support Beams and Side Panels

Secure the support beams and side panels to the underside of the desktop. This provides stability and forms the desk's structure.

Figure 4: Attaching support structure

Step 3: Install Drawer Unit

Assemble the drawer unit according to the detailed diagrams. Install the drawer glides and then insert the assembled drawers into the unit. Attach the handles to each drawer front.

Figure 5: Drawer unit assembly

Step 4: Final Assembly and Placement

Attach the completed drawer unit to the main desk structure. Carefully move the assembled desk to its desired corner location. Ensure the desk is level and stable.

OPERATING INSTRUCTIONS

Cable Management

The desk is equipped with two pre-installed grommet holes on the desktop. Use these to route power cords, display cables, and other wires to maintain a clean and organized workspace. This helps prevent cable clutter and potential tripping hazards.

Drawer Usage

The integrated drawer unit includes two smaller box drawers for office supplies and one larger file drawer designed to accommodate letter-size hanging files. Ensure drawers are not overloaded to allow for smooth operation.

MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Clean spills immediately to prevent staining or damage to the wood finish.
- **Fasteners:** Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary to maintain stability.
- **Weight Distribution:** Distribute weight evenly across the desktop to prevent warping or stress on the structure.

TROUBLESHOOTING

- **Wobbly Desk:** Ensure all assembly hardware is securely tightened. Check that the desk is placed on a level surface. Adjust leg levelers if applicable (not specified for this model, but a general tip).
- **Drawers Not Closing Smoothly:** Verify that the drawer glides are correctly installed and free of obstructions. Ensure drawers are not overloaded.
- **Damaged Parts:** If any parts arrived damaged or become damaged during assembly, contact customer support for replacements.

WARRANTY AND SUPPORT

For warranty information, product support, or to order replacement parts, please refer to the documentation included with your purchase or visit the official SHW brand store online. Keep your purchase receipt for warranty claims.
