Champion C3-ZG603

Champion C3-ZG603 Men's Tech Weave 3LS Zip Sweatshirt Instruction Manual

Model: C3-ZG603

1. PRODUCT OVERVIEW

The Champion C3-ZG603 Tech Weave 3LS Zip Sweatshirt is engineered for comfort and performance. It features a breathable, stretchy, and heat-retaining three-layer construction, utilizing WRAP-AIR® sweat material. The exterior is treated with a water-repellent finish, while the interior boasts a mesh polyester construction for a dry and light feel. Designed with raglan sleeves for unrestricted shoulder movement and highly stretchable side and sleeve panels, this sweatshirt offers an enhanced fit, particularly beneficial for activities like golf.

Key design elements include a simple front hem to prevent sagging during movement and an elasticated back hem for improved fit. Functional storage is provided by double zip pockets on the left chest and both sides.

Aesthetic details include a gel-printed combination C and Champion logo on the left chest and a Champion logo patch on the left sleeve.

2. FEATURES

- **WRAP-AIR® Material:** Lightweight, breathable, stretchy, and heat-retaining three-layer construction.
- **Water Repellent Finish:** Applied to the surface for protection against light moisture.
- **Mesh Back Construction:** Polyester mesh on the back ensures a dry and light feel.
- **Raglan Sleeves:** Designed for smooth and unrestricted shoulder movement.
- **Stretch Panels:** Highly stretchable materials on sides and sleeves for enhanced fit and comfort.
- **Functional Hem Design:** Simple front hem reduces sagging; elasticated back hem improves fit.
- **Secure Storage:** Double zip pockets on the left chest and both sides.
- **Branding:** Gel-printed combination C and Champion logo on the left chest, Champion logo patch on the left sleeve.

3. SETUP

Upon receiving your Champion C3-ZG603 sweatshirt, remove it from its packaging. Inspect the garment for any manufacturing defects or shipping damage. It is recommended to try on the sweatshirt to ensure the correct fit and comfort before its first use.

Initial Inspection

1. Unpack the sweatshirt carefully.
2. Check all zippers for smooth operation.
3. Examine seams and stitching for integrity.
4. Verify the presence and condition of all logos and patches.

4. OPERATING INSTRUCTIONS

Wearing the Sweatshirt

- Put on the sweatshirt as you would any jacket or top.
- Utilize the full-length front zipper to adjust ventilation and fit.

- The raglan sleeves and stretch panels are designed to provide maximum freedom of movement, especially during physical activities.

Using Pockets

- The sweatshirt features double zip pockets on the left chest and both sides.
- Use these pockets for secure storage of small personal items such as keys, cards, or a phone.
- Ensure zippers are fully closed to prevent items from falling out during movement.

5. MAINTENANCE AND CARE

Proper care will extend the life and maintain the performance of your Champion C3-ZG603 sweatshirt.

Washing Instructions

- **Machine Wash:** This garment is suitable for machine washing.
- Use cold water and a gentle cycle to preserve fabric integrity and water-repellent finish.
- Wash with similar colors to prevent color bleeding.
- Do not use bleach or harsh detergents.
- Tumble dry on low heat or hang dry to prevent shrinkage and damage to elastic components.

- Do not iron directly on gel prints or patches.

Storage

Store the sweatshirt in a cool, dry place away from direct sunlight to prevent fading and material degradation.

6. TROUBLESHOOTING

- **Zipper Sticking:** If a zipper becomes difficult to operate, apply a small amount of zipper lubricant or a graphite pencil lead to the teeth. Avoid forcing the zipper.
- **Water Repellency Diminishing:** Over time, the water-repellent finish may wear off. This can often be restored by washing the garment according to care instructions and then tumble drying on low heat, which can reactivate the DWR (Durable Water Repellent) coating. Specialized DWR sprays can also be applied.
- **Fabric Pilling:** Pilling can occur with wear. Use a fabric shaver or lint roller to gently remove pills and maintain the garment's appearance.

7. SPECIFICATIONS

Attribute	Detail
