

SwanScout S10001

SwanScout 3-in-1 USB-C Charging Station (Model 701G) User Manual

Model: S10001 | Brand: SwanScout

1. INTRODUCTION

Thank you for choosing the SwanScout 3-in-1 USB-C Charging Station. This device is designed to efficiently charge your Google Pixel Watch 1, compatible Google Pixel phones, and Pixel Buds Pro/2/A-Series simultaneously. It features a compact, foldable design, a 25W fast charging capability for phones, and a sleep-friendly digital clock with adjustable brightness. Please read this manual thoroughly to ensure proper setup and operation.

2. PACKAGE CONTENTS

Verify that all items are present in your package:

- 1x SwanScout 701G 3-in-1 Charging Station
- 1x 25W Charging Brick
- 1x 5A USB-A to USB-C Charging Cable
- 1x User Manual (this document)

3. PRODUCT OVERVIEW

The SwanScout 701G charging station integrates multiple charging points and a digital clock into a single, space-saving unit.

4. SETUP INSTRUCTIONS

Follow these steps to set up your charging station:

1. Unpack all components from the box.
2. Connect the provided 5A USB-A to USB-C charging cable to the USB-C input port on the back of the SwanScout 701G charging station.
3. Plug the USB-A end of the cable into the provided 25W Charging Brick.
4. Insert the 25W Charging Brick into a wall outlet. The digital clock display will illuminate, indicating the station is powered.

5. OPERATING INSTRUCTIONS

5.1 Charging Devices

The station supports simultaneous charging of a phone, earbuds, and a Google Pixel Watch 1.

1. **Phone Charging:** Place your compatible Google Pixel or Samsung Galaxy phone onto the upright Type-C connector on the phone stand. Ensure the phone is securely seated for optimal connection.
2. **Earbuds Charging:** Place your Pixel Buds Pro/2/A-Series or other compatible earbuds onto the Type-C connector located on the base of the station.
3. **Watch Charging:** Place your Google Pixel Watch 1 onto the magnetic wireless charging module. Ensure the watch is correctly aligned for charging to begin. This station is **not compatible** with Google Pixel Watch 2 or later models.

Video 4: Demonstration of Type-C charging for Google Pixel devices on the station.

5.2 Adjusting Digital Clock

The integrated digital clock offers 4 levels of brightness and supports 12/24 hour mode. Note that it does not include an alarm function.

- **Brightness Adjustment:** Press the light icon button on the front left of the display to cycle through 0%, 20%, 50%, and 100% brightness levels.
- **Time Setting:** Use the '+' and '-' buttons on the side of the station to adjust the time. Press the '12H/24H Switch Button & Time Setting "Enter" Button' to confirm settings and switch between 12-hour and 24-hour formats.

Figure 4: Digital clock display with dimmable brightness options.

5.3 Folding for Portability

The charging station features a foldable design, making it convenient for travel and storage.

- Gently push the phone stand backward until it folds flat against the base.
- The watch charging module can also be adjusted to lay flat or at various angles (0-120 degrees).
- Once folded, the station becomes compact and can be easily stored in a bag or luggage.

Item Weight	0.176 ounces
Package Dimensions	5.59 x 3.7 x 3.03 inches

8. TROUBLESHOOTING

- **Device not charging:** Ensure the charging station is properly connected to the power adapter and wall outlet. Verify that your device is correctly aligned on its respective charging point. For phones and earbuds, ensure the Type-C connector is fully inserted. For the Pixel Watch 1, confirm it is centered on the magnetic charging module.
- **Slow charging:** Ensure you are using the provided 25W charging brick and 5A USB-A to USB-C cable. Using a lower-wattage adapter or a different cable may result in slower charging speeds.
- **Digital clock not displaying:** Check the power connection. If the station is powered, press the brightness adjustment button to ensure the display is not set to 0% brightness.
- **Watch not charging (Pixel Watch 2/3/4):** This station is only compatible with Google Pixel Watch 1 (2022 release). It will not charge Pixel Watch 2 or newer models.

9. SAFETY INFORMATION

- Do not expose the charging station to water, moisture, or extreme temperatures.
- Avoid dropping or subjecting the device to strong impacts.
- Do not attempt to disassemble, repair, or modify the charging station.
- Keep out of reach of children.
- Use only the provided power adapter and cable to prevent damage and ensure optimal performance.

10. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the contact details provided on the product packaging or visit the official SwanScout website. Keep your purchase receipt as proof of purchase for any warranty claims.
