PocBuds T60

PocBuds Bluetooth Headphones User Manual

Model: T60

Brand: PocBuds

INTRODUCTION

Thank you for choosing PocBuds Bluetooth Headphones. This manual provides detailed instructions on how to set up, operate, and maintain your new wireless earbuds. Please read this guide thoroughly to ensure optimal performance and longevity of your device.

The PocBuds Bluetooth Headphones in Mint Green, shown with their charging case open, displaying the digital battery indicators.

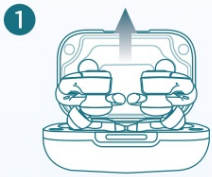

WHAT'S IN THE BOX

Your PocBuds package includes the following items:

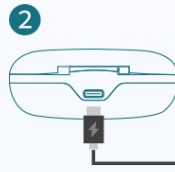

- Wireless Earbuds (Left and Right)
- Wireless Charging Case
- Type-C Charging Cable

- Eartips (Multiple Sizes)
- User Manual

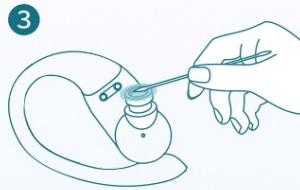

How to Clean Your Earbuds

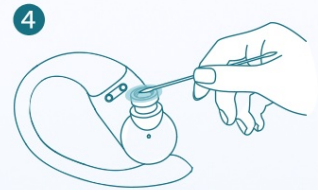

Remove the earbuds from the charging case

Unplug charging cable from case and device

For earbud contacts, clean with a slightly wet cotton swab. For case pins, use a damp lint-free cloth

Wipe other parts of buds and case with a soft, dry, lint-free cloth

Key Areas to Clean:

Charging Contacts: Gently wipe the metal contacts on the earbuds and case to remove sweat or dirt.

Earbud Tips and Sound Holes: Use a dry brush to clear debris from the earbud tips and sound holes to maintain sound quality.

Charging Case: Clean the case interior to prevent dust buildup.

Maintenance Tips:

- ◆ Clean the earbuds after each sports session to prevent sweat or dirt accumulation.
- ◆ Perform a thorough cleaning every two weeks if used frequently.
- ◆ Store the earbuds in the charging case in a dry, cool place when not in use.

SETUP

Charging the Earbuds and Case

Each earbud provides up to 8 hours of listening time on a single charge. The charging case extends the total playtime to 80 hours. The wireless earbuds feature a dual LED digital display that shows the real-time battery status of both the earbuds and the charging case. The case supports both wired charging via the included Type-C cable and wireless charging using a Qi-certified charging pad (not included).

80hrs Long Battery Life

Charging Case

Charging Status
of Earbud

The charging case's dual LED display indicates the remaining power of the charging case and the charging status of each earbud.

Pairing with Your Device

The over-ear earbuds automatically power on and connect to your device when taken out of the charging case. They are compatible with most Bluetooth-enabled devices, including smartphones, TVs, computers, laptops, and smartwatches. The advanced Bluetooth 5.3 capability ensures a strong, continuous connection within a range of up to 30ft, improving transmission speed and providing a low-latency listening experience. The earphones offer both binaural mode for stereo

surround sound and mono mode, allowing you to use either the left or right earpiece alone.

One-Step Pairing

Pick the earbuds out of the case, auto connect with your device

OPERATING INSTRUCTIONS

Basic Controls

Manage your music, adjust volume, and answer calls effortlessly with the wireless headphones' one-button touch control. Refer to the diagram below for specific functions:

Long Press (L/R): Volume Up/Down

Press Twice (L/R): Next/Previous Track

Press Once (L/R): Play/Pause, Answer/End Call

Press Thrice (L/R): Activate Voice Assistant

Press and Hold for 2 Seconds (L/R): Reject Call

A visual guide to the touch controls on the PocBuds earbuds, detailing actions for long press, double press, single press, and press and hold.

Sound Quality

PocBuds Bluetooth earbuds incorporate 13mm double-layer diaphragm drivers, delivering sound with strong bass, clear mids, and bright treble. Experience high-fidelity sound reproduction that brings every note and detail to life, enhancing your music listening experience. The built-in microphones ensure high-quality call performance by isolating your voice from surrounding noise, providing uninterrupted conversations with superior clarity.

Powerful Dynamic Audio

Enjoy a surround sound experience that lets you feel every note like you're there

An exploded view diagram highlighting the 13mm double-layer diaphragm drivers responsible for the powerful dynamic audio.

Wearing the Earbuds

Designed with flexible and soft ear hooks, these earbuds fit perfectly in your ears, ensuring they stay secure during exercise routines without falling out. To provide customized comfort, 3 multiple sizes of ear tips are available. The IPX7 waterproof rating means they can withstand sweat and light rain, keeping your music going even during intense workouts.

Ultimate Fit and Comfort

A person holding the PocBuds charging case, with callouts for the flexible earhooks and button control, emphasizing the ultimate fit and comfort.

MAINTENANCE

Cleaning Your Earbuds

Regular cleaning helps maintain sound quality and extends the lifespan of your earbuds. Follow these steps:

1. Remove the earbuds from the charging case.
2. Unplug the charging cable from the case and device.
3. For earbud contacts, clean with a slightly wet cotton swab. For case pins, use a damp, lint-free cloth.
4. Wipe other parts of the buds and case with a soft, dry, lint-free cloth.

Key Areas to Clean:

- **Charging Contacts:** Gently wipe the metal contacts on the earbuds and case to remove sweat or dirt.
- **Earbud Tips and Sound Holes:** Use a dry brush to clear debris from the earbud tips and sound holes to maintain sound quality.
- **Charging Case:** Clean the case interior to prevent dust buildup.

Maintenance Tips:

- Clean the earbuds after each sports session to prevent sweat or dirt accumulation.
- Perform a thorough cleaning every two weeks if used frequently.
- Store the earbuds in the charging case in a dry, cool place when not in use.

Sports Earbuds

Rotate to find the perfect spot for a secure and comfortable fit that won't budge

A visual step-by-step guide on cleaning the earbuds and their charging case.

TROUBLESHOOTING

If you encounter any issues with your PocBuds headphones, please try the following common troubleshooting steps:

- **No Sound:** Ensure earbuds are charged and properly paired. Check device volume.
- **Pairing Issues:** Turn off Bluetooth on your device, then turn it back on. Forget the device in your Bluetooth settings and re-pair. Ensure earbuds are out of the case.
- **Charging Problems:** Ensure the Type-C cable is securely connected. If using wireless charging, ensure the case is correctly placed on the charging pad. Check for debris on charging contacts.
- **Uncomfortable Fit:** Try different sizes of eartips provided to find the best fit for your ears.

For more detailed troubleshooting, please refer to the official [Troubleshooting Guide \(PDF\)](#).
