Modway Moonbeam Arched Mirror EEI-6350-OAK Instruction Manual

Model: EEI-6350-OAK

1. PRODUCT OVERVIEW

The Modway Moonbeam Arched Mirror is a modern wall-mounted mirror designed to enhance your living space. It features an elegant arched design, a built-in shelf, and four hanging pegs for organization. Constructed from durable mindi wood and high-quality particleboard, this mirror offers both functionality and a rich, organic aesthetic.

2. SAFETY INFORMATION

Please read and understand all instructions before assembly and installation. Failure to follow these instructions may result in injury or damage to the product or property.

- Always ensure the mirror is securely mounted to a sturdy wall structure. Use appropriate hardware for your wall type (e.g., wood studs, drywall anchors, masonry anchors).
- Do not overload the shelf or hanging pegs. The mirror is designed for light organizational items such as keys, hats, and small accessories.
- Handle the mirror with care to avoid breakage. Edges may be sharp.
- Keep small parts and assembly hardware out of reach of children.
- Regularly check the mounting hardware for tightness and stability.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly.

- Arched Mirror Frame with integrated shelf support
- Shelf piece
- Four (4) Hanging Pegs
- Assembly Hardware (screws, wall anchors if included)

4. ASSEMBLY AND INSTALLATION

Assembly of the shelf and pegs is required. Wall mounting is also necessary for proper use.

Tools Required (Not Included):

- Phillips Head Screwdriver
- Drill (for wall mounting)
- Level
- Measuring Tape
- Pencil

Assembly Steps:

1. **Attach the Shelf:** Align the shelf piece with the pre-drilled holes on the mirror frame's shelf support. Secure it using the provided screws and a Phillips head screwdriver. Ensure the shelf is flush and stable.

Figure 2: Detail of the shelf attachment area.

2. **Install the Hanging Pegs:** Screw each of the four hanging pegs into the designated holes located beneath the shelf. Turn clockwise until snug. Do not overtighten.

Figure 3: Detail of the hanging pegs.

3. **Prepare for Wall Mounting:** Determine the desired location for your mirror. Use a level and pencil to mark the positions for the wall mounting hardware. Ensure the marks are level and spaced correctly to match the mirror's hanging points.
4. **Install Wall Anchors (if necessary):** If mounting into drywall, drill pilot holes and insert appropriate wall anchors according to their instructions. If mounting into wood studs, drill pilot holes directly into the studs.
5. **Mount the Mirror:** Carefully lift the mirror and align its hanging points with the installed wall hardware. Secure the mirror firmly to the wall. Double-check that it is level and stable before releasing.

5. USAGE

The Modway Moonbeam Arched Mirror is designed for practical use in entryways, hallways, or living spaces.

- **Mirror Function:** Use the mirror for quick checks before leaving home or to visually expand your space.
- **Shelf Storage:** The integrated shelf provides a convenient spot for small items such as keys, wallets, sunglasses, or decorative accents.
- **Hanging Pegs:** Utilize the four pegs to hang lightweight items like hats, scarves, dog leashes, or small bags.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your mirror.

- **Mirror Cleaning:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the frame.
- **Wood Frame Cleaning:** Wipe the wood frame with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the mirror, shelf, and pegs with a soft cloth to prevent buildup.

7. TROUBLESHOOTING

Refer to this section for common issues and their solutions.

Issue	Possible Cause	Solution
Mirror feels unstable on the wall.	Improper wall mounting; loose hardware.	Ensure mounting hardware is appropriate for wall type and securely fastened. Tighten all screws. If necessary, remount using stronger anchors or by locating wall studs.
Shelf or pegs are wobbly.	Screws are not fully tightened.	Tighten the screws connecting the shelf and pegs to the frame. Do not overtighten.
Mirror surface is streaky after cleaning.	Incorrect cleaning method or product.	Use a clean, lint-free cloth and a streak-free glass cleaner. Avoid spraying directly onto the mirror.

8. SPECIFICATIONS

Feature	Detail
Brand	Modway
Model Number	EEI-6350-OAK
Color	Oak
Product Dimensions (L x W x H)	4.5" x 22.5" x 15"
Item Weight	8 pounds
