

## Polibi Full Size Daybed with Twin Trundle, Espresso

# Polibi Full Size Daybed with Twin Trundle (Espresso) - Instruction Manual

Model: Full Size Daybed with Twin Trundle, Espresso

Brand: Polibi

## 1. IMPORTANT SAFETY INFORMATION

---

Please read and understand all instructions before beginning assembly and use. Keep this manual for future reference. Failure to follow these instructions may result in serious injury.

- **Weight Capacity:** The maximum recommended weight for the upper full-size bed is 200 pounds. The maximum recommended weight for the twin-size trundle bed is also 200 pounds. Do not exceed these limits.
- **Assembly:** This product requires assembly by two adults. Ensure all parts are present and all fasteners are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- **Mattress Requirements:** Mattresses are not included. Ensure mattresses used are of appropriate size and thickness to prevent gaps or entrapment hazards.
- **Placement:** Place the daybed on a flat, level surface. Avoid placing near windows where cords or blinds could pose a strangulation hazard.
- **General Safety:** Do not allow children to play on or under the daybed or trundle without supervision. Do not climb on the daybed frame.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

## 2. PRODUCT OVERVIEW

---

The Polibi Full Size Daybed with Twin Trundle in Espresso is a versatile furniture piece designed for both sleeping and seating. Constructed from high-quality pine wood, it offers durability and a classic aesthetic. The integrated twin-size trundle bed provides convenient extra sleeping space, making it ideal for guest rooms, children's rooms, or living areas.

### 3. SETUP AND ASSEMBLY

---

Assembly of your Polibi Daybed requires two people and approximately 1-2 hours. All necessary hardware and tools are included in the package. Please ensure you have ample space for assembly and keep small parts away from children.

#### 3.1 Package Contents

Verify that all components listed in the included parts list are present before starting assembly. If any parts are missing or damaged, contact Polibi customer support immediately.

#### 3.2 Assembly Steps

1. **Prepare the Area:** Clear a spacious area for assembly. Lay out all components on a soft, clean surface to prevent scratches.
2. **Assemble the Side Rails:** Attach the side rails to the headboard and footboard using the provided bolts and Allen wrench. Ensure all connections are snug but do not overtighten.
3. **Install Bed Slats:** Place the wooden slats across the bed frame. Secure them to the side rails using the provided screws. Ensure even spacing for proper mattress support.
4. **Assemble the Trundle Frame:** Construct the trundle bed frame by attaching its side and end panels. Install the trundle slats and wheels as per the detailed instructions.
5. **Insert Trundle:** Carefully slide the assembled trundle bed under the main daybed frame. Ensure the wheels move freely.
6. **Final Check:** Double-check all bolts and screws to ensure they are securely tightened. The daybed should be stable and free from wobbling.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Using the Daybed

The main full-size bed functions as a standard bed or a sofa. Place a full-size mattress on the slats. The three-sided rail design allows for comfortable seating with pillows, transforming it into a stylish sofa.

### 4.2 Using the Trundle Bed

The twin-size trundle bed is designed to be easily pulled out for additional sleeping space and stored away when not in use.

- **To Extend:** Gently pull the trundle bed from underneath the main daybed frame. The wheels will allow it to slide out smoothly.
- **To Retract:** Push the trundle bed back into its storage position under the main daybed. Ensure it is fully pushed in to

prevent tripping hazards and save space.

## 5. MAINTENANCE

---

Proper care and maintenance will extend the life and appearance of your Polibi Daybed.

- **Cleaning:** Wipe the wooden surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Dusting:** Regularly dust the frame with a dry, soft cloth to prevent buildup.
- **Fastener Check:** Periodically (every 3-6 months) check all bolts and screws and re-tighten them as necessary to maintain stability and prevent squeaking.
- **Avoid Moisture:** Protect the wood from excessive moisture and direct sunlight to prevent warping or fading.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your daybed, refer to the following common solutions:

- **Squeaking Noises:** Squeaking often indicates loose fasteners. Re-tighten all bolts and screws on both the main daybed and trundle frame.
- **Trundle Not Sliding Smoothly:** Check the trundle wheels for any obstructions (e.g., carpet fibers, debris). Ensure the floor surface is clean and level. Verify that the trundle frame is assembled correctly and not warped.
- **Wobbling Frame:** A wobbling frame is usually due to uneven assembly or loose connections. Disassemble and reassemble the affected sections, ensuring all bolts are tightened evenly. Confirm the daybed is on a level surface.
- **Missing Parts:** If you find any parts missing during assembly, do not proceed. Contact Polibi customer support for replacement parts.

## 7. SPECIFICATIONS

---

Feature	Detail
Brand	Polibi
Model	Full Size Daybed with Twin Trundle
Color	Espresso
Material	Pine Wood, Wood
Product Dimensions (Overall)	78.2"L x 57.5"W x 35.4"H
