

Xiaomi M11A

Xiaomi Poco F5 Pro User Manual

Model: M11A

INTRODUCTION

This manual provides comprehensive instructions for the safe and efficient operation of your Xiaomi Poco F5 Pro smartphone. Please read this manual thoroughly before using your device to ensure optimal performance and longevity. The Poco F5 Pro is designed for high performance, featuring a powerful processor, a vibrant AMOLED display, and an advanced camera system.

DEVICE OVERVIEW

Front View: The device features a large 6.67-inch AMOLED DotDisplay with a punch-hole camera at the top center. The display offers WQHD+ resolution and a 120Hz refresh rate for smooth visuals.

Side View: On the right side of the device, you will find the power button and volume rocker. The power button may also integrate a fingerprint sensor for secure unlocking.

Back View: The rear of the device showcases the prominent triple camera module, including the 64MP main camera, along with the LED flash. The back panel has a textured finish for better grip.

SETUP

1. Inserting the SIM Card

1. Locate the SIM card tray on the side of your device.
2. Insert the SIM ejector tool into the small hole next to the tray and push gently until the tray pops out.
3. Place your Nano-SIM card(s) into the designated slots on the tray. Ensure the gold contacts are facing down.
4. Carefully push the tray back into the phone until it clicks into place.

2. Initial Charging

Before first use, it is recommended to fully charge your Poco F5 Pro. Use the provided USB Type-C cable and power adapter. The device supports 30W wired fast charging and 51W wireless fast charging.

- Connect the USB Type-C cable to the charging port at the bottom of the phone.
- Connect the other end of the cable to the power adapter, then plug the adapter into a power outlet.
- The charging indicator will appear on the screen.

3. Powering On and Initial Setup

1. Press and hold the Power button until the Xiaomi logo appears.
2. Follow the on-screen prompts to complete the initial setup, including language selection, Wi-Fi connection, Google account setup, and security settings.

OPERATING YOUR DEVICE

Display and Navigation

The Poco F5 Pro features a 6.67-inch WQHD+ AMOLED DotDisplay with a 120Hz refresh rate. Navigate the interface using touch gestures.

- **Tap:** Select an item or open an application.
- **Swipe:** Scroll through screens or lists.
- **Pinch:** Zoom in or out on images and web pages.
- **Long Press:** Access contextual menus or rearrange icons.

Camera Usage

The device is equipped with a 64MP ultra-clear main camera, an 8MP ultra-wide camera, and a 2MP macro camera. Optical Image Stabilization (OIS) and Electronic Image Stabilization (EIS) ensure steady shots.

1. Open the **Camera** application.
2. Select your desired mode (e.g., Photo, Portrait, Video).
3. Tap the shutter button to capture a photo or start/stop video recording.
4. Switch between lenses by tapping the icons on the screen (e.g., 0.6x for ultra-wide, 1x for main).

Performance and Gaming

Powered by the Snapdragon® 8+ Gen 1 processor and 12GB of RAM, the Poco F5 Pro delivers hyperpower efficiency and smooth performance for demanding applications and games. LiquidCool Technology 2.0 helps manage heat during intensive use.

- For optimal gaming, ensure your device is sufficiently charged.
- Close unnecessary background applications to free up RAM.
- FEAS 2.2 technology optimizes power consumption for stable game frame rates.

MAINTENANCE

Battery Care

- Avoid exposing the device to extreme temperatures.
- Use only official or certified chargers and cables.
- Do not let the battery completely drain frequently; charge it before it reaches very low levels.

Software Updates

Regularly check for and install software updates to ensure your device has the latest features, security patches, and performance improvements.

- Go to **Settings > About phone > MIUI version**.
- Tap **Check for updates**.
- Download and install any available updates. Ensure your device has sufficient battery and a stable internet connection during the update process.

Cleaning Your Device

- Use a soft, lint-free cloth to clean the screen and back panel.
- Avoid using harsh chemicals or abrasive materials.
- Do not spray cleaners directly onto the device.

TROUBLESHOOTING

- **Device not powering on:** Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again. If it still doesn't turn on, try a forced restart by holding the power button for 10-15 seconds.
- **Apps crashing or freezing:** Close the problematic app and reopen it. If the issue persists, clear the app's cache and data in **Settings > Apps**. As a last resort, uninstall and reinstall the app.
- **Poor battery life:** Check background app usage in **Settings > Battery**. Reduce screen brightness, disable unnecessary features like GPS or Bluetooth when not in use, and ensure all apps are updated.
- **Network connectivity issues:** Toggle Airplane Mode on and off. Restart the device. Check your SIM card insertion. If using Wi-Fi, restart your router.
- **Overheating:** Avoid using the device in direct sunlight or during heavy charging/gaming sessions. Close background apps. If overheating persists, reduce usage and allow the device to cool down.

SPECIFICATIONS

Feature	Detail
Model Number	M11A
Dimensions	7.01 x 3.54 x 2.4 inches
Weight	6 ounces
Operating System	MIUI 12
Processor	Qualcomm Snapdragon® 8+ Gen 1 (3.2 GHz)
RAM	12 GB

Internal Storage	512 GB
Display	6.67-inch WQHD+ (2560 x 1440) AMOLED DotDisplay, 120Hz Refresh Rate
Rear Camera	64MP Main (OIS), 8MP Ultra-wide, 2MP Macro
