The set features an elegant acacia wood tabletop known for its natural beauty and resistance to water and scratches, ensuring easy maintenance. The chairs are equipped with foam-padded cushions for added comfort, and the entire structure is built with weather-resistant PE rattan and a reinforced metal frame for superior strength. Adjustable footpads on the table provide stability on uneven ground, and the chairs can be conveniently stored beneath the table to save space when not in use.

COMPONENTS LIST

Before assembly, please ensure all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Bar Table (with Acacia Wood Top)
- 6 x Bar Chairs
- 6 x Removable Foam-Padded Cushions (Beige)
- 1 x Rain Cover (Black)
- Assembly Hardware (bolts, washers, spacers, Allen wrench)

SETUP AND ASSEMBLY

Assembly typically requires two adults and takes approximately 2-3 hours. Please follow these steps carefully:

- Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all components against the provided list.
- Assemble Table Frame:** Connect the main frame pieces of the bar table using the provided bolts and the Allen wrench. Ensure all connections are secure but do not fully tighten until all parts are aligned.

CARE AND MAINTENANCE

Proper care and maintenance will extend the lifespan and preserve the appearance of your Yaheetech Patio Dining Set.

- **Acacia Wood Tabletop:** The acacia wood is naturally resistant to water and scratches. Clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For prolonged exposure to direct sunlight or rain, consider applying a wood sealant annually to maintain its rich texture and color.
- **PE Rattan and Metal Frame:** Wipe down the rattan and metal frame with a mild soap and water solution. Rinse thoroughly and dry completely to prevent rust or mildew.
- **Cushions:** The cushions feature a waterproof fabric cover, but it is not recommended for prolonged use in heavy rain. The covers have zippers for convenient removal and washing. Hand wash or machine wash on a gentle cycle with cold water and mild detergent. Air dry only. Store cushions indoors during inclement weather or off-season.
- **Rain Cover:** Use the included rain cover to protect the entire set when not in use, especially during rain or off-season, to prevent damage and extend the product's life span.

Extra Accessory: Rain Cover

To extend the product's life span, cover it when not in use to prevent damage during rain.

- **Storage:** For optimal space-saving, all six chairs can be easily stored beneath the table when not in use.

Space-saving & Easy to Store

All the chairs can be easily stored beneath the table to save space when not in use.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Table/Chair wobbles	Uneven ground or loose footpads.	Adjust the height-adjustable footpads on the bottom of the legs until the furniture is stable. Ensure all assembly bolts are tightened.
Cushions appear flat or worn	Prolonged use or exposure to elements.	Ensure cushions are stored indoors when not in use or during inclement weather. Follow cleaning instructions to maintain fabric integrity.
Rattan appears faded or damaged	Extended exposure to UV rays or harsh weather.	Use the rain cover when the set is not in use. Clean regularly to remove dirt and debris that can accelerate wear.
