## 3. SETUP

---

### 3.1 Charging the Earbuds and Case

Before first use, it is recommended to fully charge the earbuds and the charging case.

1. Place both earbuds into the charging case.
2. Connect the USB charging cable to the charging port on the case and the other end to a USB power source (e.g., computer, wall adapter).
3. The indicator light on the charging case will show charging status. Refer to the indicator light section for details.
4. Once fully charged, disconnect the charging cable.

### 3.2 Pairing with a Device

The HainoTeko Air-5 earbuds are universally compatible with iOS and Android devices.

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode (indicator lights will flash).
3. On your smartphone or Bluetooth-enabled device, go to the Bluetooth settings.
4. Search for "Air-5" or "HainoTeko Air-5" in the list of available devices.
5. Select "Air-5" to connect. Once connected, the indicator lights on the earbuds will stop flashing.
6. If pairing fails, place the earbuds back in the case, close it, and repeat the steps.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Wearing the Earbuds

Gently insert the earbuds into your ears, ensuring a comfortable and secure fit. The ergonomic design is crafted for lasting comfort, even during prolonged use.

### 4.2 Touch Controls

The HainoTeko Air-5 earbuds feature automatic touch sensor controls for easy operation:

Action	Function
Single Tap (Left/Right Earbud)	Play/Pause music, Answer/End call
Double Tap (Right Earbud)	Next Track
Double Tap (Left Earbud)	Previous Track
Triple Tap (Left/Right Earbud)	Activate Voice Assistant
Long Press (Left/Right Earbud)	Reject Call

## 5. MAINTENANCE

### 5.1 Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case:

- Use a soft, dry, lint-free cloth to wipe the earbuds and case.
- For stubborn dirt, slightly dampen the cloth with water or a mild, non-abrasive cleaner.
- Do not use harsh chemicals or abrasive materials.
- Ensure earbuds and case are completely dry before placing them back in the charging case or using them.

### 5.2 Storage

When not in use, store the earbuds in their charging case. The included silicone protective cover and hook provide additional safety and portability, protecting your earbuds from scratches and minor impacts.

## 6. TROUBLESHOOTING

If you encounter any issues with your HainoTeko Air-5 earbuds, please refer to the following common solutions:

Problem	Solution
Earbuds not pairing	Ensure earbuds are charged. Place them back in the case, close, then reopen to re-enter pairing mode. On your device, forget "Air-5" from Bluetooth settings and try pairing again.
No sound from one earbud	Check battery level of both earbuds. Ensure both are properly seated in the charging case. Try resetting the earbuds (refer to manual if specific reset steps are available, otherwise, re-pair).
Charging issues	Ensure the charging cable is securely connected to both the case and the power source. Try a different USB port or power adapter. Clean the charging contacts on the earbuds and inside the case.
Touch controls not responding	Ensure your fingers are clean and dry. Try restarting the earbuds by placing them in the case and taking them out. Re-pair with your device.

## 7. SPECIFICATIONS

Feature	Detail
