HiFuture ColorBuds2 BLACK

HiFuture Colorbuds2 TWS Earphones User Manual

Model: ColorBuds2 BLACK

Introduction

The HiFuture Colorbuds2 True Wireless Earphones are designed to provide a high-quality audio experience with convenience and durability. Featuring Bluetooth 5.3 technology, these earbuds offer seamless connectivity and a stable wireless signal. Enjoy rich, balanced sound with dynamic bass, and clear calls thanks to integrated Environmental Noise Cancellation (ENC) technology. With an IPX5 sweatproof rating and a long-lasting battery, the Colorbuds2 are suitable for various activities and extended use.

Setup

1. Initial Charging

Before first use, ensure the charging case and earphones are fully charged. Place both earbuds into the charging case. Connect the charging case to a power source using a compatible USB cable. The indicator light on the case will show charging status.

2. Pairing with Your Device

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
4. Search for "HiFuture Colorbuds2" in the list of available devices.
5. Select "HiFuture Colorbuds2" to connect. Once connected, you will hear a confirmation tone, and the indicator light on the earbuds may change.

The earbuds are designed to connect seamlessly as soon as you take them out of the case after the initial pairing.

Operating Instructions

Touch Controls

The Colorbuds2 feature intuitive touch controls for easy management of music and calls. Specific touch gestures may vary slightly, but common functions include:

- **Play/Pause:** Single tap on either earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Reject Call:** Long press on either earbud.
- **Activate Voice Assistant:** Triple tap on either earbud (if supported by your device).

Call Functions

The integrated microphone with Environmental Noise Cancellation (ENC) technology ensures clear voice transmission during calls by filtering out background noise. Simply tap to answer or end calls.

Audio Experience

Experience soft bass sound that is full and balanced at every volume level, providing an immersive listening experience.

Maintenance

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using harsh chemicals or abrasive materials.
- **Water Resistance:** The Colorbuds2 are IPX5 sweatproof, meaning they are resistant to sweat and splashes. Do not submerge them in water or expose them to heavy rain. Dry them thoroughly if they get wet.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.

Troubleshooting

No Sound or Intermittent Connection:

- Ensure both earbuds are charged.
- Check if Bluetooth is enabled on your device.
- Make sure the earbuds are within the Bluetooth range of your device.
- Try unpairing and re-pairing the earbuds with your device.
- Restart your device and the earbuds (by placing them back in the case and taking them out).

Earbuds Not Charging:

- Ensure the charging cable is securely connected to both the case and the power source.

- Check if the charging contacts on the earbuds and inside the case are clean and free of debris.
- Try a different USB cable or power adapter.

Microphone Issues:

- Ensure the microphone is not obstructed.
- Check your device's audio input settings to confirm the earbuds are selected.
- Move to a quieter environment to reduce background noise affecting ENC.
